Dear Parents and Carers,

It was lovely to see the sun this week. Our Year 11 students have been working extremely hard over the last week in their mock exams. Our team has been sending out messages in support of wellbeing - if you have any concerns about your child's wellbeing, [here](#) are some useful links that you can explore. There will be an Easter School taking place during the first week of the holiday for our Year 11 students.

Monday is Kurdish New Year and there will be lunchtime celebrations including dance, food, and music for anyone who would like to join in. The canteen will be serving some delicious Kurdish-inspired cuisine as part of our celebrations. Happy New Year to our Kurdish community and all those who celebrate a new year at the start of spring.

Finally, we are delighted to welcome many of our new families to joining Woodside in September. We are running an Easter Holiday Club on Wednesday 6th April, if your child or friend's child is joining us in September, they are very welcome to attend. For more details, please email senen.fikri@woodsidehighschool.co.uk

All the best for the weekend.

Dear Colleagues

10th March 2021

We would like to inform you that – as part of Haringey Council's exciting Holiday Activity and Food (HAF) Programme – children eligible to receive Free School Meals (FSMs) will be able to access several free holiday camps during the Easter school holiday.

We all know the value and benefits of providing enriching activities for our young people. It is an opportunity for them to learn and socialise but also an important source of childcare, and a point of contact for children and families during this holiday period.

To help families access these activities we have again partnered with Evouchers (on the Wonde platform) to generate and distribute HAF vouchers to all families eligible for free school meals, including children eligible for the extended Haringey FSM expansion programme.

We appreciate that school life is busy and do not mean to create extra work, however we ask for your help with distributing these HAF vouchers to all your families registered for FSM, including those identified by the FSM expansion policy. The HAF vouchers will go live on Monday 14th March, please note that spaces are limited therefore we encourage families to book a space asap.

How it works

Option A: Schools currently using Evoucher by Wonde for their free school meal vouchers

The HAF vouchers ordering process is like ordering FSM vouchers through the Wonde Evouchers platform.

- Sign into Evouchers
- Order HAF vouchers through the Evouchers platform
- When selecting the voucher type, please select **Haringey HAF Vouchers**
- At the checkout, select **Haringey HAF Vouchers** from the **who is paying for this invoice** dropdown
- Send vouchers as normal to eligible FSM parents
- HAF vouchers go live on Monday 14th March (ideally would like for all schools to send out HAF vouchers on the same day to make the booking process as fair as possible to families).

Option B: School not registered to Evouchers by Wonde

- The Evouchers team will be in touch shortly to give further instructions to explain how to order HAF vouchers through the Evouchers platform
- HAF voucher will be sent to parent using your MIS data (or upload a .csv file)
- Then parents can book their children directly onto a HAF activity

Example of the HAF voucher that will be sent to parents.

Once vouchers have been received, parents can book their children on to activities for the Easter holiday.

If you have any questions, please contact the E-voucher support team, or access the help resources available:

Thank you for your continued support with this programme. If you have any general queries regarding the HAF Programme or would like to arrange a direct referral for any key students that you feel would need a little more support in signing up. Then please do not hesitate to email: hafprogramme@haringey.gov.uk or call 020 8489 4629.

Promotion leaflets will be sent out next week alongside the main holiday community booklet giving details on all activities available during the Easter holiday.

For more information on the HAF Programme and to book a place visit www.haringey.gov.uk/haf.

Yours sincerely,
