Dear Parents and Carers,

It certainly felt like summer this week. Thank you for sending your child in with water bottles. We have added additional water fountains for students to fill up their bottles and students are permitted to take off their blazers on particularly hot days. Please be minded that sunglasses are a banned item.

This week, students in Year 10 were treated to an assembly with Martin Tyler, legendary football commentator and the voice of popular football game, FIFA. He held an assembly and workshop with some of our major football fans. Year 10 students have also been focusing on their studies through participating in the Walking Talking Mocks. This is an opportunity to go through the examination papers they will face next year step by step.

Next week, we are looking forward to welcoming in our Year 8 parents and carers for the Electives Evening (Wed 22nd June) where students will choose their elective extra curricular clubs for next year. We are hoping to see as many Year 8 parents and carers as possible.

Please note below our summer events and thank you to all families and students for returning trip preferences so quickly.

Wishing you all the best for the weekend.

Angela Wallace

YEAR 10 WALKING TALKING MOCKS

This week, year 10 had Walking Talking Mocks in maths and science. Unfortunately we had to cancel the WTM on Friday due to the temperature.

Our students learned from our subject leaders the expectations of public examination and how to approach exam questions to give their best possible answers.

As we expect, Year 10 demonstrated the highest standards of behaviour and respect.

Well done year 10! Keep revising and good luck in your mocks examinations next week.

Mr Bernard

WORK EXPERIENCE WEEK IS BACK AND WE NEED YOUR HELP!

After a short hiatus due to COVID, we are delighted to inform you that Work Experience Week is back for Year 10!

This year, Work Experience Week will take place between the 4th - 8th July, offering our young people an opportunity to gain an insight into the world of work, and to help them prepare for the responsibilities and opportunities of adult life.

As part of the programme, students will need to find their own placement and they need our help, **if you have any work experience opportunities** available for our Year 10 students, please email: nurcan.irencin@woodsidehighschool.co.uk

INSPIRING CAREERS EVENT

Due to COVID, we've had to pause our work experience programme but this year we are relaunching the programme and we'd love your help.

We are looking for a variety of inspiring individuals who can support us on the Tuesday 5th July between 8:50 to 11am to take part in a speed networking event with our Year 10 students. All you have to do is share insights, lessons and tips to motivate and inspire our students to make an informed decisions about their future.

If you are interested, please get in touch: nurcan.irencin@woodsidehighschool.co.uk

GET BEHIND THE CAMERA WITH THE LONDON SCREEN ACADEMY

London Screen Academy (LSA) is a state-funded sixth form based in Islington specialising in Film and TV. LSA trains young people in behind the camera skills and students benefit from unprecedented access to the industry as they progress into careers in film and TV, university and beyond!

There are many communities that have traditionally been under-represented in the screen industries and LSA especially welcomes students currently receiving Free School Meals.

Each day students are invited to come to a different workshop focused on a behind the scenes discipline: camera, sound, script, costume, video production and Visual Effects.

TO REGISTER YOUR INTEREST PLEASE EMAIL outreach@lsa.ac.uk

BOOK REVIEWS

The selection

Rating

This book is a well-paced and perfect for dystopian and romance fans. The plot revolves around a competition between 35 girls and a prince; they must all compete for his love and for the position of a princess. In a dystopian world where your wealth describes your lifestyle and career, a normal caste 5 girl called America Singer is chosen to compete against 34 other girls. America finds trouble coping in the palace, as she's leaving her home and secret love.

I would recommend this audience to girls aged 12-15 (young teen range), since this book does have one or two disturbing topics, but it is family friendly and safe to read for most ages. It is an interesting book and will definitely keep you reading.

Stargirl

Rating

THIS IS STAR GIRL. SHE IS AS MAGICAL AS THE DESSERT SKY AS MYSTERIOUS AS HER OWN NAME. NOBODY KNOWS WHO SHE IS AND NOBODY KNOWS WERE SHE COMES FROM. BUT EVERYONE LOVES HER FOR BEING DIFFERENT. SHE CAPTURES LEO'S HEART WITH JUST ONE SMILE IN A HEARTBEAT.

HOWEVER STANDING OUT FROM A CROWD IS NOT ALWAYS SO PLEASANT AND WHEN PEOPLE START TO TURN AGAINST HER AND LEO, THEY ARE FORCED TO TEST THEIR STRENGTH OF THEIR OWN LOVE!

RECOMMENDED AGE: 13-15.

RECOMMENDED FOR PEOPLE WHO LIKE A GOOD MYSTERY BUT ALSO LOVE A GOOD BIT OF ROMANCE.

Windrush child

Rating

This book is wise. It teaches us about the Windrush Generation and all their struggles and worries. I really enjoyed reading this book and learnt a lot about what the Windrush children went through and still going through.

I recommend it to people who wants to find out facts about the Windrush Generation.
