Dear Parents and Carers,

We said a final goodbye to our Year 11 students at the school prom last night, they looked fantastic and were a credit to themselves and all their families, see below for all the pictures.

The rest of the school have been very busy with assessments. Year 10s have shown real resilience in the way they have approached their mocks and this will give invaluable information in relation to how we support them next year.

On Sunday, a trip to France leaves. It is so exciting that we are not only able to get these trips up and running but also these unique experiences. Next week we have trips for other year groups and transition day. Please remember that it will be very warm next week so please send students in with blazers and no jumpers as these are easier to remove and water bottles

Wishing you all the best for the weekend.

Angela Wallace
Headteacher

YEAR 11 PROM

Year 11s celebrated the end of their examinations and their time at Woodside with a special event in Essex last night. The end of year prom is one of the most anticipated events in the calendar and it certainly lived up to expectations.

The evening kicked off with drinks, non alcoholic of course, in a secluded secret garden. As the sun went down, the caterers served up some delicious Jamaican food before the dance floor was filled with energetic teenagers.

The DJ slowly built up the tempo with tracks from different eras and genres, right up to the moment when the Prom Queen and King were announced.

Students behaved well throughout the night, with security saying, 'you should be really proud of them, they are one of the most respectful and well-behaved bunch of kids we have had at the venue'.

WOODSIDE HIGH SCHOOL 2022 PROM

A detailed illustration for a poster. Alice, with long red hair and wearing a blue dress, stands in the foreground holding a sword. She is surrounded by large, colorful mushrooms with orange and purple caps. In the background, a dark, winged creature (the Queen of Hearts) stands on a rocky outcrop. The trees are bare and grey, creating a dark and mysterious atmosphere.

TOP 10 IN THE COUNTRY

After winning the regional heats of The Great Big Dance Off competition, the Year 9 girls dance group consisting of Clara Macks, Chika Mekaowulu, Fabiana Pereira, Sofia Herrera Turbi and Hadijah Nakayima, qualified for the KS3 category in the national finals which was held in Cheltenham Town Hall on Monday 27th June.

The 39 other secondary schools that had travelled from all over England to showcase their very best dancers, proved to be tough competition. But the girls rose to the challenge and put on an incredibly strong performance. Their hours of hard work, dedication and after school rehearsals earned them a very honorable 5th place.

WALTON-ON-THE-NAZE TRIP

On Thursday 23rd June, Year 10 geography students took part in their first field trip to Walton-on-the-Naze to look at the impacts of coastal erosion in preparation for their GCSE exam.

Students had to take part in a number of activities such as measuring the seawall and groynes; they had to use a range of equipment to carry out their work. The first activity they took part in was laying a measuring tape against the sand and having to measure the wavelength. This also encouraged team work as they had to work together gathering measurements and making sure they were accurate in order to complete their worksheet.

Later on in the day students were able to see a real WW2 pill box which had fallen onto the beach due to coastal erosion. This was an amazing experience as it gave students the chance to see the impacts of coastal erosion in person. Overall this was an amazing day and students had a great time visiting and exploring this site.
