

NEWSLETTER

08.07.22 | Issue 315

Dear Parents and Carers,

It's been a jammed packed week at Woodside. Our Year 10 students have been engaged in work experience or careers learning experiences. Please read our newsletter next week to hear some stories about how they've been getting on in their placements. Needless to say we are so pleased that our young people can experience real life working environments and the skill set needed before they embark on their final years.

As one year leaves, we look to a year ahead and on Wednesday we welcomed our new cohort for their Transition Day, another event which hasn't happened since 2019. Our new Year 7s were fantastic, and spent the day navigating around school; playing sport; cooking; carrying out science experiments; making music and getting to know their tutors. All students were delivered a book for them to read in the holiday, reading is a key focus and drive for Woodside next year and this is a great way for our new cohort to enjoy an experience of reading the same book.

On Tuesday, we had a fantastic performance of Alice in Wonderland, this performance contained many of our Year 7s and 8s and what a group of rising stars they are. Whilst this has been going on all our other year groups had an out of classroom experience. It was a brave undertaking to get all students on coaches and to their destinations but at Woodside we remain committed to equality of experience.

Next week is going to be a hot one, please send students in with blazers, not jumpers, a water bottle as we will put out water stations and a reminder it will be a week focused on feedback after assessments. Every lesson is a learning lesson until we break up. Please be minded Thursday is our Sports Day.

Wishing you all the best for the weekend.

Angela Wallace
Headteacher

BRONZE BADGE CLUB

Congratulations to the following students who have achieved 500+ PRAISE Points.

ASophie green 8E
Raghav Grover 9T
Shayanne Lindsey 9U

Strengthening Families Strengthening Communities

Free parenting course in Haringey
September to December 2022

Markfield is running a free 13-week parenting support programme

Our *Strengthening Families Strengthening Communities* course is delivered by qualified trainers and is accredited by the Race Equality Foundation. The course includes:

- Understanding communication and how to improve this
- Introducing a ladder system of behaviour management strategies
- Reflecting on the challenges of being a parent and on our own family values
- What it means to be a community and celebrate cultural diversity

Each session includes a free lunch and a free crèche is provided.

Dates: Wed 14th September to Wed 14th December 2022

Times: 9.45am to 2.00pm once per week

Where: Markfield Community Centre, Tottenham, N15 4RB

Introductory session: Wednesday 14th September 2022.

September	Introduction : Wed 14 th		Wed 21st	Wed 28th	
October	Wed 5th	Wed 12 th	Wed 19 th		Half term break
November	Wed 2nd	Wed 9 th	Wed 16th	Wed 23 rd	Wed 30 th
December	Wed 7 th	Wed 14 th			

Places are free

To participate you need to commit to attending all of the 13 sessions in the course – see all dates above.

SPURS SERIES CHAMPIONS

After winning the regional heat undefeated and without conceding a goal, the Year 10 boys football team were back in action last Friday in the Spurs Series Grand Final and looking to bring home some silverware. The heats proved to be no challenge for the Woodside team, who beat one of the teams 7-0. The boys were dancing around the opposition and slotting goals in the back of the net for fun.

The final was as exciting as you hope any to be. With Enfield Grammar scoring early in the game, Pharrell was refusing to lose when they had come so far. He fired 2 goals in quick succession into the back of the net giving Woodside the lead.

Moments before the final whistle, Enfield snuck a goal past goalie Mahmood who had been suffering an injury following the fixture against Park View, 10 days previously. With penalties on the horizon, the boys dug deep but were unable to avoid the inevitable. Up stepped penalty takers Rayan, Pharrell and Aleks for their moment in the spotlight and in combination with the lightning reactions of Mahmood, the boys secured the win and both the title and silverware was theirs to bring back to school.

With some of these boys already in professional academies and one playing for England U16's, this team is filled with unrivalled talent. If there is anyone who is a football coach, looking for an outstanding talent pool and can take the boys to the next level as a team, please contact Ms Pryor on alice.pryor@woodsidehighschool.co.uk

Winning Year 10 Team:

Rayan Oyebade
 Dimari Levy
 Aleks Dimitrov
 Ty Ewens-Findlay
 Pharrell Jarmon-James
 Cairo Kelly
 Rueben Morrissey
 Mahmood Rizk
 Shujab Lleshi
 Junior Conteh

MUSIC CONCERT AT ST GEORGE'S CHURCH

On Thursday 30 June a group of year 7 and 8 students attended a classical music concert at St George's (Handel's) Church, Hanover Square, London. The students were selected by their instrumental teachers for excellent progress and attitude to learning in their instrumental lessons this year.

The London Firebird Orchestra was conducted by Michael Thrift and performed W.A.Mozart's overture to The Marriage of Figaro and a musical story "Peter and the Wolf" by S. Prokofieff, which was narrated by Ian Hislop. The orchestra's introduction to the magical world of orchestral music was enjoyed both by the students and adults present!

This is what some of the students said:

"When I watched the orchestra play, I liked the fact that they played a Mozart piece in the beginning which sounded really nice. I also liked how they introduced the different instruments and how they worked so that people would know. I would enjoy going to one of these again because the music was very subtle, but because there were a lot of people I think it makes it better." Victoria 7Y

"It's even better to see the orchestra when you're actually there!" Caglar 8A

"What I liked about the trip is the instruments played and how they explained what each instrument was. The music they played was amazing and it was a really nice experience to hear the orchestra in real life. the people were really talented! I'd definitely like to go on a trip like this again." Sahra 7Y

Well done to our students! They made us very proud!

Ms Frost

YEAR 10 UCL TRIP

On Thursday 6th July, Year 10 students were lucky enough to go on a special guided tour at UCL, culminating in an interactive Q&A session with UCL students and even a UCL professor!

Woodsiders started their tour by the iconic Portico building in the main campus. It was an incredible place to start as students from the Faculty of Brain Sciences at UCL were graduating at the time, and we were able to see so many new graduates, in their caps and gowns, celebrating with their families, taking photographs and marking the end of their degrees. We saw groups of UCL graduates looking so joyful and taking photos by the displays that we clapped and congratulated them on their achievement. When it was our turn to take a group photo, they clapped and cheered us too! It was so nice to see how warm and friendly UCL students are.

We broke into two groups and went on a tour of UCL buildings – well, a lot of UCL building, but not all of them, because we discovered how huge UCL is!!! In fact, UCL is about the size of 46 Woodsides, which is massive! We had two wonderful tour guides, Patricia and Jabiah, Woodside Alumni and current LAE students, who lead us on a really interesting and interactive tour. We discovered that there are degrees available that we had never heard of and that there are 28 different engineering degrees on offer! We learnt about Anthropology, how many Nobel Prize winners there are from UCL (29!) and that there are 18 libraries at UCL! Patricia and Jabiah made the tour really engaging and gave us lots of opportunities to ask questions and learn more. We even got to see what student accommodation looked like!

We learnt about this history of UCL and how it was founded in part by a philosopher called Jeremy Bentham, who was a really interesting man, but a bit quirky. We got to meet him, in the form of his auto icon in the Student Centre, which is definitely not an experience we will ever forget!

Our tour of the campus ended in the Maths department, where we were joined by two current Year One students at UCL, Veronica and Fraser. We were able to ask them all kinds of questions, from what made them choose to study Maths to what it was like in student accommodation. They were so kind and helpful, answering our many, many questions in such a friendly way! It was very reassuring to learn that they had the same worries about university life that we have.

We were then fortunate enough to meet Dr Kalaydzhieva, Lecturer in Mathematics at UCL. Dr Kalaydzhieva was incredibly kind to us and told us about her journey to get her PHD and become a lecturer at one of the most prestigious universities in the world (UCL is currently ranked 8th in the WORLD!). It was so inspiring to hear from Dr Kalaydzhieva who navigated some challenges and set backs that we could all relate to. She spoke to us so honestly and openly and gave us hope to not be deterred by initial disappointments that we might face. We got to ask her lots and lots of questions, and we even asked her “what is the future of maths”. We were stunned when she said “you are”! Dr Kalaydzhieva was so lovely to us it made us want to start university straight away! Huge thanks to everyone who helped make this memorable trip happen.

Anelia, Taaha, Valerie, Yahya, Asya, Mohammad, Siza, Nikolay, Eleni, Devonte, Shamini, Hamza, Adem, Aishah, Harry, Erzana, Ivan, Zahed, Amiirreza, Semanur, Hanad

Year 10 Students

BOROUGH SUPERSTAR

Kaya Bamber, along with the very best footballing talent that Haringey has to offer from various other schools, represented the borough in the London Youth Games Girls Football. Incredible performances on the day resulted in the team winning and bringing home gold! It has been over 10 years since Haringey have won gold in this as it is a very tough competition to win and is a reflection of the incredible young talent that Haringey has.

Please congratulate your pupils on winning Gold for Haringey in the London Youth Games Girls Football. It has been over 10 years since Haringey have won gold in this as it is a very tough competition to win.

Ms Pryor

LONDON VIRTUAL AUTISTIC CONFERENCE

Tuesday 12 July 9.15am - 2pm
Wednesday 13 July 12 - 5pm

The London Borough of Haringey SEND Service has been funded by NHS England to hold an online London Autistic Conference with a focus on: creating enabling environments.

The conference includes Autistic people sharing their research, knowledge and/or lived experiences, and relevant researchers discussing their research.

**ZOOM LINK
WILL BE SENT
OUT ON
8 JULY**

INTERESTED IN ATTENDING THE ONLINE EVENT?

Please complete the form below:
<https://forms.office.com/r/qfG8nCeR07> 

TUESDAY 12 JULY 9.15AM - 2PM

Anxiety and Mental Health
Dr Luke Beardon

Autistic Identity and Well Being
Dean Beadle

Rewriting the Narrative
Dr Ruth Moysse

Autism Ethnicity and Culture
Dr Prithvi Perepa

WEDNESDAY 13 JULY 12PM - 5PM

Puberty, Relationships and Periods
Robyn Steward

Autistic Language Hypothesis
Rachel Cullen

Growing Up as Autistic Females
Georgia Harper and Sam Ahern

Gender and Sexuality Discoveries and Journeys
Graysen Whittaker

Situational Autism
Dr Chloe Farahar, Si, Ben and Libby

ONLINE AUTISM CONFERENCE

Online autism conference aimed at those with autism, family of those with autism and professionals within education and health.

Ms Gokay

STEM CLUB

Our future separate science students and STEM/Science club students had a fantastic time today building up projects and learning about engineering. It was brilliant to see them working collaboratively on a project like this. They even had the chance to get into a McLaren car and, I can tell you, some of their faces were priceless!

We also received a set of 10 crumbles and connectors to be used for programming and coding. This set of equipment will offer a fantastic opportunity for students to develop their creativity and understanding of engineering.

Ms Toscano

100% ATTENDANCE (06/09/2021 TO 01/07/2022)

Congratulations to the following students who have achieved 100% attendance since September. Attendance is a significant determining factor to attainment outcomes and GCSE grades. Students with no absences are 2.2 times more likely to achieve 5+ GCSEs 9 - 4 or equivalent.*

BOOK REVIEWS

Where the river runs gold

Review Body

Where the River Runs gold is one of those books that seems to want to predict what a world that has unknown nature would be like and how it would be run. And they decided to take this dystopian approach which I am not as bothered by. Yes, certain scenes are a little too grey for my tastes and a bit too mean-spirited as well. But I still liked this book in a way and still thought it was a decent rebellion against dystopian law and the adventure that unfolded as well. If you are into dystopian fiction, then I think you should give this book a read.

The Bone Sparrow: Hope can set you free

Review Body

The Bone Sparrow was very good and interesting book. It is about a young boy called Subhi, who lives in a refugee camp. He meets a young girl who tells him about the outside and shows him how to escape. Here his adventure begins...

THE CANTERBURY TALES - THE LITTLE BROTHER'S TALE

Review Body

I liked this book because it was funny, and it was short. My favourite part of the book was when the boy made fun of his grandparents when his grandma said the baby looked like him. I recommend this book to younger children because there aren't a lot of words.

HARINGEY HOLIDAY ACTIVITY AND FOOD (HAF) PROGRAMME

Haringey is offering a range of HAF clubs over the summer holiday.

All HAF clubs are completely free for young people who are eligible for benefits based free school meals during the holidays.

Clubs will be run by locally trusted organisations, offering a range of physical and enrichment activities and a tasty nutritious lunch for children across Haringey.

Ensuring they have a fun and active summer holiday.
