Dear Parents and Carers,

What a week, it's certainly been hot and students have done well in what has made it at times hard to keep cool. Thank you for supporting by sending students in with bottles.

We've had another busy week, with lessons focused on feedback alongside some end of term events including trips to Haringey Pride, East London Mosque and bowling. The real highlight was Sports Day (see next page) which was a fantastic opportunity for us to be together competing in a friendly way.

Although next week is a short week it's important students are in and are set up ready for the summer break. All Year 10 students have been sent a summer project which will be on show my homework. I'd like to take this opportunity to thank all our families for their support over this academic year, do have a safe holiday and we look forward to seeing everyone in September.

Finally a reminder that all our communication moving forward will take place on IRIS My Ed, you can download the app here: <https://www.myedschoolapp.com/>

Wishing you all the best for summer break.

## VOYAGE SCOLAIRE EN FRANCE

Voilà! Nous sommes allés en France pour la première fois depuis trois ans, et on s'est très bien amusés !!

Our first post-Covid France residential took place at the beginning of July, and we were so, so very excited. 30 students and 4 teachers had an early start on Sunday the 4th, and were bussed to Dover where we took the ferry to Calais. Beautiful weather and great experiences awaited us across the Channel.

Le Château d'Ebblinghem was to be our home for the next couple of days, and our Francophiles got well immersed from the get-go. Straight off the coach, Y9 and 10's were asking for directions from locals - en français bien sûr - as they discovered the beautiful old cities of Boulogne-sur-Mer and St Omer. The locals - some of them dressed as Napoléon himself - obliged and welcomed our Woodsiders to this beautiful part of the north French coast. À recommander!

Back at the Château, we had a crêpe making lesson, and plenty of time to enjoy the sun and warm weather. Fatigués mais heureux, we had a good night's rest before our next two days of rambling around France's Pas-de-Calais region.

Highlights our students still talk about are the Chocolatrie de Beussent, where we got to see gorgeous (and pricey) pralines made. We also learnt about the origins of the chocolate we consume today, and tasted raw cocoa. Everyone was surprized by how awful the raw product tasted. C'était dégoûtant! We loved the chocs we got to munch on later, however! Miam miam!

Many of us said the trip to Nausicaá, western Europe's largest aquarium, was the highlight of the trip. Manta rays, penguins, seals... and gazillions of French school students on day trips! It was brilliant.

First in this writer's mind, however, is our trip to the beautiful town of Le Touquet, where we all got our little moment in the sun, au soleil à la plage, and really got to take in what an away-trip is all about. Les amis. Les photos. Les mémoires que nous garderons pour toute la vie. C'était vraiment un moment de grand bonheur, et pour les élèves et pour les profs.

Many thanks to our chauffeur, Richard, and our accompanying teachers - Madame Flaender, Monsieur Howe, Señor Miranda, and Monsieur Connell, and the staff at the Château d'Ebblinghem. On reviendra, c'est sûr et certain!

Many thanks are also due to the Tottenham Grammar School Foundation, which, again, has helped making over-seas residentials possible for Woodside students. Without this support, it would not be possible to offer these enriching experiences to our wonderful students. Nous vous remercions. La difference que vous avez faite est inestimable.

## FREE SCHOOL MEAL INFORMATION

The government has permanently extended free school meal eligibility to children in all households with no recourse to public funds (NRPF) subject to maximum income thresholds.

If you think you are eligible please contact the school so we can check to see if you are entitled to Free School Meals or if you think you know someone who you think is eligible please encourage them to speak to the school. Not only could parents be missing out on Free School Meals but the school could also be missing out on vital additional funding which we may be entitled to.

Eligible groups

These groups include:

- Zambrano carers
- families who have no recourse to public funds with a right to remain in the UK on grounds of private and family life under Article 8 of the European Convention on Human Rights
- families receiving support under Section 17 of the Children Act 1989 who are also subject to a no recourse to public funds restriction
- a subset of failed asylum seekers supported under Section 4 of the Immigration and Asylum Act 1999
- Chen carers
- families holding a British National (Overseas) passport (external link)
- spousal visa holders
- work visa holders
- student visa holders
- those with no immigration status

Income thresholds

The maximum income threshold differs based on location and the number of children in a family.

In London, the annual household income thresholds for families able to work are:

- £31,200 for families with 1 child
- £34,800 for families with 2 or more children

If you live outside London, but your children attend school in Haringey, you will be subject to lower income thresholds.

You can find out more [here](#).

## YEAR 8 SPANISH COMPETITION

A menu competition has taken place across the whole Y8 Spanish. Around 120 students have taken part and only 17 have been selected to go on a trip to a restaurant to taste Spanish food. Congratulations! On Monday 11th July, we went to La Lluna, a lovely restaurant in Muswell Hill, where we were able to taste delicious Spanish food.

Students thoughts about the restaurant:

- "The experience has been great and we have really enjoyed the food and the background Flamenco music"
- "I loved all the food and the opportunity"
- "It was really amazing"

¡¡Muchas gracias y buen provecho!!

## TEEN TECH LIVE VIRTUAL WORKSHOPS

Over the summer holidays, Teen Tech Live will be running live virtual workshops on Coding and Animation. The fun and engaging workshops will enable students to learn how to make games and create stop-frame animations. These sessions are highly interactive, and students will be able to receive live support from industry experts and ask questions live!

Parents/Carers/Students: Parents (and students aged 16+) can register for these sessions to access these sessions from home.

**TeenTech Coding Games Masterclasses for Beginners**  
8th, 9th, 10th and 11th August | 10:00am | For students aged 11-19

Join us each morning for a different coding activity led by an app and game developer. This course is suitable for absolute beginners who have never coded before who want to understand the concepts behind programming and creating apps and games. We'll be doing some fun block coding projects, creating some fun games and learning the fundamentals of programming! Every single project we work on this week can be completed using a modern browser, with no additional software (or hardware) required.

This Masterclass is part of a four-day course. Please do register for all four sessions if you can, as we'll be building up our knowledge over the sessions and projects we create. You can manage your events at <https://teentech.com/my-events>.

**TeenTech Animation Masterclasses for Beginners**  
15th, 16th and 18th August | 10:00am | For students aged 11-19

Have you ever wanted to create an animation? Join us for a special week of free animation activities during the Summer holidays! We'll be talking to industry experts from film, television and gaming, and spotlighting pre-production, production and post-production skills.

The course is suitable for absolute beginners who want to understand the concepts behind planning and creating animations. You do not need to own any specialist software to take part. All our tutorials will use free software, or software with a free trial, and we will let you know more details ahead of each session.

This Masterclass is part of a three-day course. Please do register for all three sessions if you can, as we'll be building up our knowledge throughout the week. You can manage your events at <https://teentech.com/my-events>.
