HIGH SCHOOL

NEWSLETTER

09.09.22 | Issue 317

Dear Parents and Carers,

I would like to start by sharing our sadness in the death of Queen Elizabeth II. As a school, we are giving a place for our students to talk about this and with the students we will decide on a way to mark our respects for her sad passing. This will be marked as a school community in a fitting and respectful way.

I hope that all families had a restful summer. It was a busy summer for Woodsiders with the Year 5 Taster Day, Summer School and exam results. See below more information on our best results ever.

It really is a pleasure to have all our young people back together. Our new Year 7s are fantastic and have really shown their maturity by getting to know their new school. We also welcome all our families who join us. Please see below for a list of our Year 7 events coming up where you are very welcome to come.

For all other year groups it's been a really great start, students have been focused in lessons. Year 11 will soon begin period 6 and Electives will begin on the 19th September. From next week we will be starting a range of lunchtime and after school clubs and we encourage students to pick these up.

I look forward to the year ahead with much success.

Angela Wallace
Headteacher

YEAR 11 PARENT INFORMATION EVENING

Do you have a child in Year 11? On Tuesday 27th September at 4pm, we will be holding a Year 11 Parent Information Evening with revision materials available and details on ways to help your young people

Ms Wallace

19th July 2022

Dear parents and carers,

I am writing to you about a new initiative that the school is running, the upcycle uniform store. We are asking for donations of clothing that students have grown out of. We will take these wash them and in cases fix them place them in the upcycle store. The school will then ask for donations for these items with all profits going to the Woodside experience.

When will the upcycle uniform store be open:

- The upcycle store will be open on Friday mornings 8:30-9:30 and Friday 3:30-4:00 it will also be available on parent sessions

Why are we opening the upcycle store:

- We are currently in an environmental crisis, the production of clothing is significantly causing additional waster and CO2 emissions.
- We are currently in a cost of living crisis and the upcycle store will provide affordable uniform for all

We are asking for donations now, if you have any items please can your child bring them to student support or bring donations into the reception over the summer. If you would be able to support in the running of the store please contact angela.wallace@woodsidehighschool.co.uk

Kind regards,

Angela Wallace
Headteacher
