Dear Parents and Carers,

I can't believe we are already a month into the new school year. Our Year 7 students seem to have really made an impact and are getting involved as much as possible in various sporting, music and other clubs. On Thursday, classes E, Q, U and A went on a visit to Tolmers. This will be repeated on Monday for L, I, T and Y. I wanted to thank all the form tutors and of course our parents for attending the Year 7 Meet the Tutor event.

Year 11 also had an eventful week with our Parent Information Evening. If you were unable to make the event, please follow the this [link](#) to our website where all this key information will be kept. 90 Year 11 students also visited Thorpe Park as the very much delayed reward trip due to last years heatwave. A last hurrah before it really kicks in. From Monday we have period 6 for all Year 11 students and we begin the breakfast tutoring amongst other things. Assemblies are now all delivered with sixth form colleges and a key date is the 20th October for the Careers Fair.

Year 9 begun their electives last week and this week it will begin with full sessions, this is a great way for Year 9 students to learn an enriching subject, do check in with your son/daughter about how they are getting on. On Monday we will be having a performance of An Inspector Calls to all Year 11 students and Macbeth to Year 10 students. These are their set texts for GCSEs. Nothing can replace a live theatre performance so please make sure that your child is in and gets the most from this experience.

A reminder of our Open Evening on Thursday 13th October, I've been visiting so many of our local primary schools this week, including Risley, Lea Valley, The Willows, Oakthorpe and Earham. Each visit I've taken Year 8 students and they have been an absolute credit to the school. We do love our local families so please do attend/share with friends and family.

Finally a note on our consultation to move to a MAT. I have attached the letter sent to all families but please email [Matquestions@woodsidehighschool.co.uk](mailto:Matquestions@woodsidehighschool.co.uk) if you have any questions or if you would like to meet to discuss in person, please email me at [angela.wallace@woodsidehighschool.co.uk](mailto:angela.wallace@woodsidehighschool.co.uk). This is a very exciting opportunity for our young people and community which will help us go from strength to strength.

## FINALLY A WOODSIDE PREFECT

I've wanted to be a Prefect for 2 years, and finally this September I was able to become one.

To begin, we had to write a formal application to be considered for an interview, including what we could bring to the school as a Prefect and what we hope to gain from it.

After the interview process, a selected few gave speeches in front of members of staff at Woodside, and they voted on who should be elected as Head Prefects.

I am so glad to be selected as one of the Deputy Head Prefects and I am delighted to support Woodside where I can. Recently, we started performing duties around the school and soon we will be helping out with parental events.

Asha N (Deputy Head Prefect)

## PRAISE BREAKFAST

Well done to everyone who joined Ms Wallace for PRAISE Breakfast this morning.

Keep up the good work!

## EUROPEAN DAY OF LANGUAGES

This year to celebrate the annual European Day of Languages (26th September) students at Woodside took part in a European treasure hunt. In teams of three and four they competed against each other to find the answers to 14 questions relating to key European people and events, all hidden in various locations around the school playground. They not only had to use their skills to seek out the hidden answers but then had to decide which question each answer related to.

What is Michelangelo best known for?, In what European city can you eat the delicious "belem" cakes? and "What does the word "clef" mean? were some of the mysteries uncovered in the day's event. It was fun to take the learning outside and discover so much behind the 45 languages of Europe.
