Dear Parents and Carers,

I wanted to start by thanking our Year 11 students who have completely exceeded all expectations in relation to their maturity and resilience towards their mock examinations, please keep this up. Thank you to all our parents for support with our Year 11s. Best of luck with week two.

It's been a very busy week with reward trips for attendance and Spanish, Fibonacci day and the Dragon's den house competition. Over thirty students were recipients of a World Cup reward for winning the values prize draw. Thanks to all of those students who took part and staff who ran these events.

Well done to the students in Years 7, 8 and 9 whose 100% attendance was recognized in a school reward trip. It really is something to be celebrated, please see below some facts about attendance and do where possible strive to bring your children in.

A big thanks to the parents who have volunteered for the Bullying Working Party, a survey has gone out to find out the best time to meet and our agreed objectives.

Finally a big shout out for our winter of festivities, please do sign up for your free ticket to our winter celebration. - <https://www.eventbrite.com/e/winter-celebration-tickets-419507156197>

Have a great weekend.

ATTENDANCE

Attendance is a key part of students success at Woodside. Some things that are really important to note

- If a child arrives after the am register/9:15 then this will be marked as an absence from the morning session
- If a child is absent for three or more days and does not have a doctors note, this can be a photo or text, this will be marked as unauthorized
- We do not authorize term time holidays

Why are these measures in place?

Attendance is the single biggest factor in final student success in examinations.

Ms Wallace

YEAR 11 URBAN AREA STUDY

On Thursday 17th Nov, a group of year 11 students visited different parts of Haringey to conduct a survey for their mock examinations.

The survey focused on urban development, students had to record the number of houses being renovated, abandoned etc, as well as speak to the local community.

The students behaved immaculately and were great ambassadors of the school.

YOUTH TAKEOVER DAY AT CITY HALL

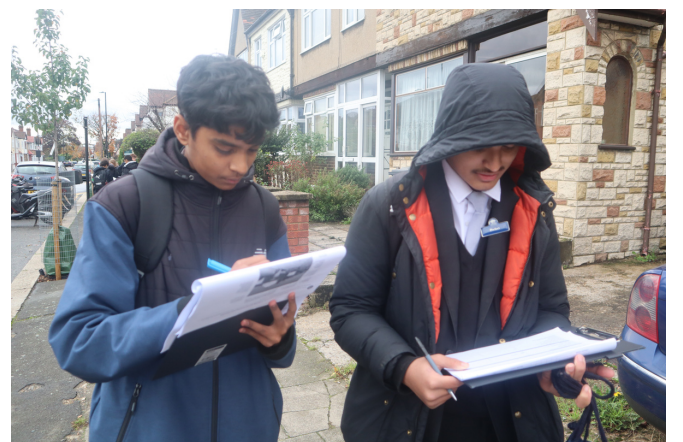

On Friday 18th November, a group of aspiring Year 10 students were selected to attend the Youth Takeover Day at City Hall.

In the morning, students had the opportunity to meet with various industry leaders, apprenticeship providers and universities, to ask key decision-making questions that matter to them the most.

After lunch, students participated in a variety of workshops focusing on positive relationship, mental health & wellbeing and online health.

Huge thanks to the VRU for inviting us.

PENSIONBEE WORKSHOP

Last Friday our key students in Year 10 and 11 enjoyed a talk from PensionBee – an organisation that provides people with access to pensions.

Pupils took part in a workshop learning about diversity and inclusion in the workplace, and the importance of mental health. Students learnt about opportunities available outside Woodside – and thanks to our new partnership with PensionBee, the company is now offering work experience opportunities for our pupils.

ISLAMOPHOBIA AWARENESS MONTH

November is Islamophobia Awareness Month and our Year 8 students have been leading on assemblies to educate their peers.

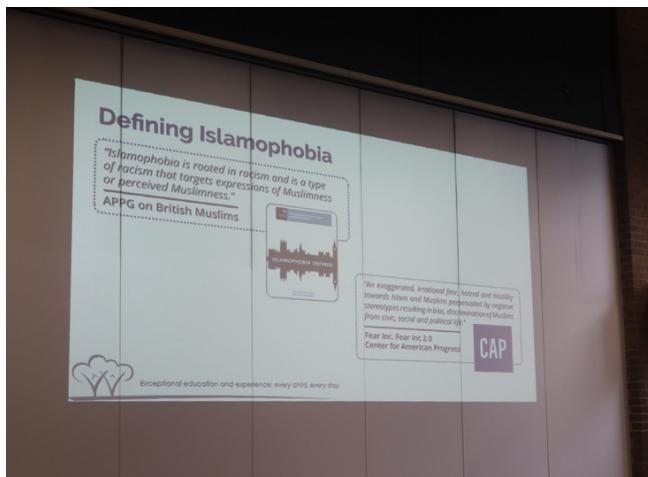

Islamophobia impacts Muslim communities in the UK and worldwide, it is important that students are aware of the ways it can occur.

Some examples of this might be violence, verbal or physical threats, vandalism or purposeful damage to personal property, jokes and stereotypes, and harassment.

However, there's also Islamophobia that people don't see, such as discrimination, stereotypes, exclusion and marginalisation.

More information on how you can support the campaign here - <https://www.islamophobia-awareness.org/>
