HIGH SCHOOL

# NEWSLETTER

02.12.22 | Issue 328

Dear Parents and Carers,

It's been a busy week here at Woodside and now we find ourselves in December. A huge well done to Year 11 for getting through their mocks, a reminder it is application time with some of the bigger sixth forms like APS and LAET, both have deadlines in January. Careers advice sessions are currently being offered to students. It will be the Year 10s entering their mocks next week so wishing them the best of luck.

Next week proves to be even busier. We have a competition to decorate our corridor to brighten up the school, trips; Wednesday's Year 9 Parent Evening, Friday's Christmas Jumper Day and music rehearsals. It's the last week before praise week so please encourage your son/daughter to focus on praise so they can receive the maximum reward. The school will also be running a foodbank appeal for the Food Hub in Tottenham, please don't worry if you can't contribute, it is merely for anyone who feels they would like to.

Please remind your children how important these last weeks are, we have much to celebrate but also much to focus on in lessons, we holiday when the holiday starts and not before, all lessons count.

Have a restful weekend

## 'HARINGEY AFRICAN SCHOOLS PARTNERSHIP' ANNOUNCED FOLLOWING SISTER SYSTEM GRADUATION AT TOTTENHAM TOWN HALL

Hope in Haringey and Sister System's young women in leadership group have been awarded their Level 2 NVQ in Leadership, signing off their training for upcoming roles for the Haringey African Schools Partnership – a precursor to AfroUrban Futures UK's youth advisory board.

In a collaborative programme between Tottenham-based charities, Hope in Haringey and Sister System, six girls from three Haringey schools have completed their NVQ level 2 qualifications in Leadership. The completion of this course means the way has been pathed for the creation of a global project between schools in Nigeria, Sierra Leone, UK and Uganda called the 'Haringey African Schools Partnership'.

The course, which saw the girls visit Silverstone and Buggyra Racing, was previously covered in August and marked the growth in their confidence, resilience, and public speaking skills.

The group of graduate girls with Sister System's CEO Okela Douglas Trainer, Cassanda Campbell and HiH Director, Rev. John Wood. MBE, HiH Youth Project's Officer and Chloe Hedman

Two months on from the course's conclusion, the girls were celebrated as part of a Sister System graduation ceremony at Tottenham Town Hall, forming just 6 of 40 girls on the day being recognised for their achievements.

At the ceremony, one graduate who did not want to be named said that she was "proud of herself and friends" and "felt ready" for the next step.

Thankfully, they would not have to wait long as the end of the ceremony saw the group updated on their next task: Setting up a new project named the 'Haringey African Schools Partnership'

As a precursor for AfroUrban Futures UK, this project tasks the group with helping establish school links between three Haringey schools: Harris Academy Tottenham, Woodside High and Haringey Sixth Form with partner schools in Uganda, Sierra Leone and Nigeria.

The aim of this partnership is to begin building a relationship between schools in the UK, and those in the west and east of Africa. As an organisation centred around the sharing of social capital, both the Haringey African Schools Partnership and later, AfroUrban Futures UK will share similar values to its parent organisation, Hope in Haringey – rooted in Tottenham.

Once the board forms relationships with its African partners, the Haringey African Schools Partnership will begin organising itself as an agency through which all of its school partners can begin raising problems and finding solutions, possibly under the AfroUrban Futures UK name as that process develops.

## SEND UPDATE

Congratulations to our key students from Year 11 who have been receiving support in their GCSE exams over the past fortnight, including from TAs as readers and scribes. SEN staff meanwhile have been attending weekly reflective meetings to talk through difficult incidents at school, and how to process them emotionally. Plans are also under way for our key students to take part in a World Cup table football tournament next Friday!

## COULD YOU GET A WARM HOME DISCOUNT?

The Government's Warm Home Discount scheme reopened last week and will automatically provide a £150 discount off electricity bills for low-income households this winter.

To make it easier for residents to check if they can get the discount, the Government has launched a new online eligibility tool.

If you qualify, you should receive a letter between this month, and mid-January 2023 confirming your eligibility, with the payment being made automatically through your energy supplier by March 2023.

Visit GOV.UK for more information about the Warm Home Discount Scheme.
