Dear parent/carer

I am writing to pass on my thanks and congratulations to your child for their excellent efforts this term. Your child has not only been recognized for praise points but has been nominated by their form tutor as a student consistently shown improvement in effort and commitment.

Our core values are pride, respect, and kindness and your child has shown in their efforts this term a complete commitment to upholding these values. Secondary school is academically very challenging and forms the bedrock for future careers, by demonstrating an ability to try their hardest. Your child is on a positive pathway to achieving as successfully as they can in the future.

I would also like to pass on my thanks for your support for your child. It is clear that they are committed to do as well as possible at school, not just for their own future success but out of respect for your support.

Please do pass on congratulations to your child and our absolute pride in your child's achievements to date. Please keep up these exceptional efforts

Kind regards,

Angela Wallace
