Dear parent/carers

I am writing to pass on my thanks and congratulations to your child for the excellence they have shown this term. Your child has not only been recognized for praise points but has been nominated by their form tutor as a student consistently showing excellence in their attitude and classroom performance.

Our core values are pride, respect and kindness and your child demonstrates this on a daily basis. Your child's approach to school embodies our community commitment to pride at Woodside. We are not a school who is complacent, we want the best for our community and school and feel very proud and privileged to have your child as a student at Woodside who is helping us move forward.

I would also like to pass on my thanks for your support for your child. It is clear that they are committed to do as well as possible at school, not just for their own future success but out of respect for your support.

Please do pass on congratulations to your child and our absolute pride in your child's achievements to date. Please keep up this excellent work

Kind regards,
