14th June 2022

Dear Parent/Carer,

RE: Key Stage 3 End of Year Assessments

At Woodside, we have the highest ambitions and expectations of our students in all aspects of school life. It is our aim to ensure that our students attain great examination results and secure ambitious destinations when they leave us at the end of year 11. To do this, we must give our students the practice that they need in preparing for examinations and provide them with important information about any gaps in their knowledge.

As I mentioned in my letter earlier this academic year, all students in years 7 to year 9 will be sitting end of year assessments in their subjects in the week beginning Monday 27 June 2022. The information from these assessments will support teachers with curriculum planning and setting in subjects such as English and maths next year.

It is important that your child is preparing for these assessments now by actively seeking information about what and how they will be assessed from their teachers and spending time at home focused on focussed revision. Teachers should be sharing information about assessments during lessons and on Show My Homework.

This is the time to ensure that your child has all the equipment that they need for each of their subjects so that they are not disadvantaged in lessons or the assessments. Where possible, please provide a quiet working space at home for your child to work independently in preparation for these examinations.

If you require any further information, please get in contact with the relevant Head of Department of the subject or your child's Head of Year.

Yours sincerely,

Mr Bernard
Deputy Head Teacher

Head Teacher: Ms Angela Wallace
