Dear parents,

Year 11 Prom: Safe Travel Home

Ahead of next week's prom, we are committed to ensuring that our students have a wonderful evening and that they remain safe. Due to our concerns about the high number of reported incidents of crime in the area, the late finish and news related to youth violence, we are asking you to work with us to ensure that prom night ends with happy memories and all students getting home safely. We feel that it is important to ask parents to collect their children from school after the prom. We understand that it will be late and have not taken this decision lightly. It is important that our children get home safely.

On the evening, the first return coach will arrive back at school at 10.30 pm and the second coach will arrive at 11pm. Please communicate with your child about which coach they are returning on and arrive promptly at school to collect them. Students will be dismissed by a member of staff once their adult is identified.

If you are unable to collect your child, please arrange for another responsible adult to do this and inform us via email so that we are aware Mail@woodsidehighschool.co.uk. Students will not be released from school without an adult.

Yours sincerely

Year 11 Team and Safeguarding Team
