6th December 2021

Dear parents and carers,

As part of our ongoing work on the Woodside student experience, we will be running a series of focus groups this week where we ask students about their daily experiences at school. This will cover student safety, enjoyment and enrichment.

The sessions will be led by our social studies teachers and small groups (ten students) of randomly selected students will be part of the discussion in their year groups.

The information will be captured and used to inform our planning and delivery of Spiritual, Moral, Social and Cultural Development in school.

Your child may be asked to be part of a session. Their responses will be recorded but anonymised.

Should you have any queries or concerns, please do not hesitate to contact me directly.

Best wishes

Djamila Boothman
Assistant Headteacher

Head Teacher: Ms Angela Wallace
