Dear Parent/Carer,

I am writing to let you know that your child is now on study leave. We have made the decision that the balance of exams to lesson is now such that it is more supportive for students to study at home.

Students must be in for all exams and are invited to the revision sessions outlined in the attached timetable. Please note that all students must be in full school uniform when on school site.

When students come in for their exams, they should enter by the side gate at the back of the exam hall in the car park opposite New River Sports Centre. When they come in for revision sessions they should go to the front gate where they will be picked up by their teacher.

Please remind your child to walk straight home after examinations/revision sessions and to always show sensible behaviour.

If your child has nowhere to work at home or finds studying at home challenging, please email judy.barton@woodsidehighschool.co.uk and we will add them to the list of students in the Year 11 study area.

I would like to thank you for your continued support.

Kind regards,

Angela Wallace

Headteacher
