Dear parent and carers,

I am writing with some updates in relation to parent meetings. There are two events coming up for Year 9. On Thursday 3rd February at 5pm there will be an opportunity to meet the new Head of Year 9 and members of the SLT team to answer questions about Year 9 and information in relation to our new behaviour system, House system, the option process and new subjects students have been taking. Mr Marshall has been busy meeting with students and checking in with teachers and lessons and is keen to meet as many families as possible. If you are interested in this event please email senen.fikri@woodsidehighschool.co.uk as this event will take place online and you will require a password to join.

On Thursday 24th February there will be a year 9 parents evening. Apologies for the change to the originally advertised event. We have postponed until after the half term as current rates of COVID in the school and local community are high and we would like to hold this event in person. Bookings for this evening will open soon and you will receive a text to notify you of this. If nearer the time rates rise or we are advised differently by the DfE/Haringey and we will move the event online. Any bookings made will be valid if the event changes to face to face.

I look forward to meeting you soon. Thank you for your continued support.

Kind regards,

Angela Wallace

Head Teacher: Ms Angela Wallace
