## LATEST UPDATES FROM THE HEADTEACHER

### DEAR PARENTS AND CARERS,

Wishing you a happy May from our second edition of our newsletter. As part of our transition, you may notice some of the changing signage around the school.

I hope that the celebration of the coronation was one that those observing enjoyed. Students at Woodside learnt about this ceremonial event and ate a traditional meal at lunchtime.

Thank you to parents who were able to attend the Year 10 Information Evening this Thursday which has been meant as a means to kickstart our Year 10 students on their GCSE journey. For students in Year 11, the key focus is being in school and doing the very best. Please see the timetable for examinations [here](#) and twilight [here](#).

A huge thank you to parents who attended our Community Coffee Morning on Wednesday, we will be hosting these coffee mornings monthly so do keep an eye out for the next one.

We are having a day of celebration for the Day of Slavonic Alphabet on 24th May, a day to celebrate the writing and culture of Slavonic countries and in particular Bulgaria. There will be talks, activities and an opportunity for a family and friends event.

Next week, students will be heading out to Pendarren again, thanks to all the staff who have been arranging this great weekends for our students.

All the best for the weekend.

Ms Wallace  
Headteacher

## Excellence is never an accident

### Top 5

1. Clear revision plan
2. Materials
3. Proven effective revision strategies
4. Focus and concentration
5. Support structures

Whenever you revise, you are doing one of three things:

1. Finding and closing gaps in your knowledge.

2. Strengthening fading knowledge in your long term memory.

3. Practising recalling knowledge quickly.

Recall cues	Notes
Summary	

### Cornell Notes

Students use the left-hand large margin for recall cues—around 3-4 questions or subheadings related to the topic they are studying.

The main section of the page is the space for bullet notes related to the subheadings or questions.

The bottom section is where a student summarises the key learning points they have revised.

This can be left blank and returned to a few days later to help revisit key concepts.

### Flash Cards

Flashcards are small sheets of paper or card with matching pieces of information on either side.

They are a useful tool for learning facts and allow you to quickly check whether you have remembered something correctly.

Students should keep them concise, simple and not spend more time making them than using them.

Recognising the talent of Mulberry Woodside's students

## STUDENT OF THE WEEK: LAILA KHAN

FORM: 8Q  
EXCELLENCE IN: PRIDE  
NOMINATED BY: MS. JAY-TREASURE

Laila is an excellent role model to her peers. She consistently gets on with whatever task has been given to the class, whether this is a Pixl Edge target or an activity in one of her subject lessons.

To date, Laila has not received a single conduct point this academic year which is exceptional! As an individual, Laila always has her equipment, journal, correct uniform, engages in tasks and above all: shows kindness, care and compassion to her peers. We are very proud of Laila and feel that Laila should be proud of her accomplishments, presentation and focused, positive attitude to learning at school.

## BOOK REVIEW

### Running On Empty

Rating ★★★★★

This book was amazing, it had my attention from start to finish.

It was partial based on a real-life story that many people and family's go through;  
some parts of the story, I think can be comforting to people.

On the other hand, it was very captivating and was a fun book to read with challenges.

Handwritten mathematical formulas in the background:  $P=r^2\pi$ ,  $\Delta t = T$ ,  $(x-y)^2$ ,  $f = \frac{\sqrt{x+a^2}}{x}$ ,  $\tan(2a) = \frac{2\tan(a)}{1-\tan^2(a)}$ ,  $\frac{\Delta x}{\Delta z}$ ,  $f(x) =$ ,  $(-c)$ .

### EQUATION OF THE DAY: TRIGONOMETRY – PERCENTAGE INCREASE AND DECREASE

1. Increase £200 by 25 % To find the multiplier	2. Decrease £200 by 25 % To find the multiplier
$\frac{100 + 25}{100} = 1.25$	$\frac{100 - 25}{100} = 0.75$
$£200 \times 1.25 = £250$	$£200 \times 0.75 = £150$

# Catherine West MP Visits Mulberry Woodside

The shadow foreign minister dropped by to talk with students ahead of the king's coronation.  
By Mr Boniface

On Friday 5th May, Catherine West - MP for Hornsey and Wood Green - visited Mulberry Academy Woodside.

The shadow foreign minister had lunch with a group of Year 11s and Ms Wallace, before moving on to a Q&A in the library with a group of Year 7s, 8s and 9s including some of our brilliant student councillors.

Pupils were thrilled to have the opportunity to meet their local MP, asking questions covering everything from Ms West's journey to becoming an MP;

how to win a debate; and how to prepare for the King's Coronation.

The Labour MP rounded off her visit with a tour around the school, greeting and chatting with students as she left.

"I had a brilliant time visiting Mulberry Academy Woodside. I was struck by the amazing students and how engaged they were across so many different subjects - their questions were fantastic. I'm excited to see how the school keeps progressing - and what the students go onto next!" - Catherine West MP

# Catherine West MP Vists Mulberry Woodside

## HAVIN

I found the whole experience very interesting – I loved meeting Catherine West and it has inspired me to become better. I now know more about the MP and what she does in the community [like] dealing with poverty.

## DESTINY

It was interesting, I got to know more about the MP and how Wood Green is ran.

I learned a lot about what she does with wood green what controls and systems are in place to make [changes] in the area.

I'm inspired because now I know what is out there and to have an open option on what I can do to make something [In the area] better in person.

## An autism event for Somali Families

Calling all Somali families with Autistic children.

We are looking for family members of autistic children and young people to share their own experiences to support other parents/ carers/family members around the journey of and supporting an Autistic child/young person.

The session will be translated in both English and Somali to make it more accessible for all to attend and participate.

A great chance to meet other Somali families with Autistic children.

# Announcements & Reminders

## HELP OUR YEAR 10 STUDENTS

We are delighted to inform you that Work Experience Week is back for Year 10s between 10th and 14th July!

As part of the programme, students will need to find their own placement and we'd like your help. If you have any work experience opportunities available for our Year 10 students, please email: [serdane.ozcan@woodsidehighschool.co.uk](mailto:serdane.ozcan@woodsidehighschool.co.uk) or call 02088896761.

Placements will be health and safety checked prior to the placement start date.

Work Experience Week is vital for our young people to gain an insight into the world of work, and to help them prepare for the responsibilities and opportunities of adult life.

The Careers Office

## YEAR 7 UPDATE

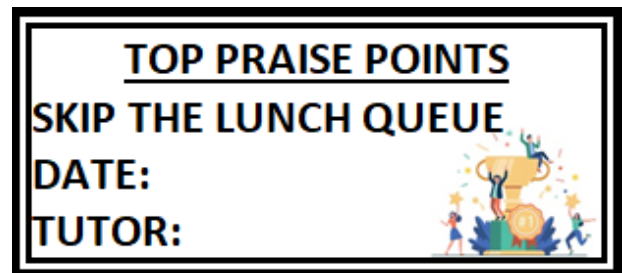

This term, we are rewarding our top 2 students every day by rewarding them with a voucher each to skip the queue at lunch time.

This has sparked a friendly rivalry between our top students with others challenging to enjoy this luxury.

We have a long list for the top attendance students, so we want to give a massive shout out to the form 7I who got the most students on time to school and took their learning very seriously!

We also want all our Year 7 students to join a club. Have a look at the list of clubs that we offer and be part of the one you like the most!
