## LATEST UPDATES FROM THE HEADTEACHER

### DEAR PARENTS AND CARERS,

It's Friday again and the week really has seemed to have flown by. Our Year 11 examinations are nearly finished, a massive well done to all of those involved. A group of Year 9 students had a taste of their first Mulberry STEM Academy with a live careers session with employees from STEM subjects. It was really informative and got the group discussing options and future pathways. The students will have the opportunity to now go on the Go- Karting event coming up next week.

Thank you to our parents who attended the Community Coffee Morning. One thing that we were encouraging families to do was to sign up to Class Charts where you will be able to see information on attendance and praise/behaviour. We have a SEN Coffee Morning coming up and we'd like families not just of SEN but in general to attend.

To celebrate the sunny weather, we unveiled our 8 new table football tables, these are waterproof so students will be able to maximise use. Students wishing to play will need to see Mrs Barnett in the snack shack to loan out a ball which needs to be returned afterwards.

#### Practical tips in the warm weather

- School uniform must be worn but suggestions for example wearing a short sleeved top is recommended. Students may not have to wear their blazers but should bring them in.
- Ties should be worn.
- Sunglasses are not a school item and will be confiscated.
- Please send your child in with a re-usable bottle in order for them to fill up at the many water fountains.

#### Year 10 updates

- Year 10 students will shortly be moving to their own canteen space and have a new line up area.
- This new freedom matches with a focus on learning with regular weekly form or assembly task to share, "how do we revise".

#### Uniform update:

- New Blazers to be given to students at the start of the year.
- Ties - design out and one tie bought for all students who are currently in 7-10

**PLEASE NOTE** your child **WILL** be able to continue to use any item with the old logo

# Student Spotlight

Recognising the talent of Mulberry Woodside's students

## YEAR 7 STUDENT OF THE WEEK

- Student Name: Abdel Fatahel Abdeen
- Form: 7A
- Excellence in: improving in behaviour

Abdel struggled initially with the transition from Primary to Secondary school. He was always getting into trouble not following basic line up & classroom expectations. Abdel would want to distract other students which meant he was not getting on with his work in term 1. Abdel behaviour & his focus has improved. He knows what is expected of him and he listens and follows instructions given.

Addel has had the support from a Year 10 Mentor Gergana, she has encouraged & aided his transition from Year 6 to Year 7 by helping him understand the Woodside Values & to focus on improving behaviour.

Well done Abdel!

## YEAR 9 STUDENT OF THE WEEK

- Student Name: Maja Jerecka
- Form: 9A
- Excellence in: Obtaining the most praise point in 9A . Always doing the right thing.

*"Maja is a polite, hard working committed member of 9A. She has achieved the most praise points within the group and very few behaviour points. She is always willing to help. Supporting and welcoming new members into the form." - Mr Archer*

A Recipe for Friendship  
Tianna Scarlett White

For the recipe you will need:

- . trust, 1/3 cup, slow cook for 6 months
- . laughter, 1 tablespoon, mix for 30 minutes
- . forgiveness, an ounce, grate forever
- . acceptance, a cup, simmer for 7 years
- . conversation, 2 tablespoons, bake forever
- . entertainment, teaspoon, fry for 2 hours

Trust is important, take 1/3 of a cup and slow cook for 6 months.

Laugh whenever you want. 1 tablespoon being mixed for 30 minutes is enough!

An ounce of forgiveness is everything, grate forever to keep the friendship.

Simmering a cup of acceptance for 7 years to add flavour and appreciate the differences.

Conversation is key, just 2 tablespoons and you could bake forever.

A teaspoon of entertainment for 2 hours but careful, too much fun and you'll burn yourself!

# One Degree Programme

Congratulations to Year 11

Our Year 11 students are in the process of completing final exams with the final main exam on 16 June. However a group of 40 students have been attending One Degree sessions on Saturdays since January with the aim of boosting their GCSE level in English & Maths.

The course organiser Roger Wynne-Dyke commented that 'this is best group of Y11 students we have had at One Degree for one time, their engagement and work ethic has been excellent'. We would like to congratulate them and all of our Y11 students on their hard work this year.

# MIDDLESEX SCHOOLS ATHLETICS CHAMPIONSHIP

The Middlesex Schools Athletics Championship took place on Saturday 10th June with several Woodsiders invited to go head to head with students from the borough, to fight for a place at the National Schools Athletics championships in Birmingham at the end of the month.

Our athletes did extremely well with several setting new personal bests. One athlete, Chante Stirling, dominated her heat and went on to take 1st in the finals of the 200m, buying her ticket to Birmingham to compete with other top sprinters in the country.

## Results

Jeanae Stirling 9L: 200m - 4th in heats & new PB

Cyrus Reid 9E: 300m - 1st in heats with new PB, 5th in final

Saira Khan 10Y: 800m - although unfortunately did not finish as she fainted on her 2nd lap due to a combination of the heat and nerves. She was really well looked after by Hadijah and the medical team. Her dad collected her and took her home to recover

Hadijah Nakayima 10T: 200m - 3rd in heats, 6th in final & new PB

Chante Stirling 11I: 200m - 1st place in heats, 1st place in final and has qualified for National Schools with a new PB

# BOOK REVIEW

## Shadowsea

### Rating

This book is part of the Cogheart book series and is better than the first. It has less overly grim scenes than the first and an antagonist that I found a lot more interesting as a villain. This little adventure has part of it take place underwater so that was also nice to see. I'm just trying to convince you to read the book after you've read Cogheart since it's a good continuation and one of the best book sequels I've read so far. But a word of advice: this is the fourth book so make sure you read the other two before it, to get some of the plot points and characters.

I am now discussing this book with the confirmation that I have read all the books in this series that came before this one. My opinion still stands that this is a very good book that was better than its original, but I would go as far as to say that this is the best book in the whole series.

## Shatter Me

### Rating

Shatter Me is an amazing book. I would highly recommend it to the age of 13 and over. I really enjoyed the book especially where the author crossed out the sentences meaningfully, it made the book more engaging! The main character Juliette is a very tough character but finally finds her true self and the things she can be capable of after meeting the long-lost lover her life realising, they grew up together and was there for each other after going through the same things. YOU MUST READ THIS BOOK!
