LATEST UPDATES FROM THE HEADTEACHER

DEAR PARENTS AND CARERS,

Wishing a Eid Mubarak to all our students and families who have been celebrating Eid-al-Adha. I hope this has been a joyful time with family and friends. If your child missed an examination due to Eid, they will have a catch up session during the strikes next week.

It has been an incredibly impressive week from our students in Year 8, 9 and 10 (no pressure Year 7!) for their conduct in the hall during exam time. Students have been revising and taking the etiquette of the hall very seriously - well done! We are very ambitious to ensure students at Woodside have the best academic experience possible. Do speak to your child about what our staff are doing in and out of lessons, as well as their work on revision habits to support them moving forward as much as they can over their remaining years at Woodside.

Well done to all our Year 10 geographers for an amazing and productive field study trip to Walton-on-the-Naze.

We have been meeting with parents of Year 10 students this week to support our wider work on preparing students for their final year, if you cannot make any of the appointment times, do get in touch so we can see how we can reschedule as we are keen to meet as many parents as possible in person.

All the best for the weekend

Dear parents and carers,

Governing body at Mulberry Academy Woodside

I am writing to inform you about the current governing and Trust body arrangements at Mulberry Academy Woodside. All schools have a local governing body of whom the Headteacher and the senior team present an update on school priorities, development areas and KPIs (key performance indicators such as results, finance etc). The governing body can also play an important role in supporting parents and providing a link between school and home. The role of the governing body is to challenge and develop the staffing body to provide the best education for young people at their school.

In a move to a new Trust the historic governing body ceases to exist and a new one is formed. All our governors have been asked if they would like to continue and we are pleased that four of our current governors will be remaining with us. We have been fortunate to secure a new Chair of Governors, Alice Crawley. Alice has been the Chair of governors at the Trust for time and is incredibly experienced Governor. For details on all our governors please see this on our website. In addition to this group, we go out for a new election on staff governor, parent governors and then one additional community governor. We will be holding parent governor elections soon and details will follow shortly.

Since May we have been reporting into the termly meetings for finance, standards, and the full Trust board. This ensures that we are accountable in this interim period, as we enter September our local governing body meetings will resume on a termly basis.

Yours sincerely

Angela Wallace

Student Spotlight

Recognising the talent of Mulberry Woodside's students

YEAR 9 STUDENT OF THE WEEK

- Student Name: Dario Bek
- Form: 9I
- Excellence in: punctuality and attitude to learning

"Since I joined the form in year 8, Dario has always proved himself to be a polite and hard working young man who truly cares about his education. Not once have I had to challenge Dario on his behaviour, nor had any emails from any teachers. This attitude to his learning is going to ensure that he achieves great things going into his GCSE years and beyond. Truly a pleasure to have in my form." - Mr Price

I SAW
Omer

I saw Sherlock Gnomes solve a case; I saw the moon turn into cheese; I saw all the mirrors on earth but none of them reflected on me; I saw a spider make a cobweb; I saw a snail walk 100 miles; I saw grass grow; I saw the teeming sea; I saw the Eiffel Tower and Statue Of Liberty being made; I saw the Mona Lisa being painted; I saw a worm eat through a whole apple; I saw paint dry on a brick wall; I saw an empty bedroom;. I saw Albert Einstein work out an impossible mathematical equation; I saw daybreak and nightfall; I saw the delicate bone structure of a hand; I saw, close up, unending eyes watching themselves in an endless mirror; I saw a whole village burn up in envious flames. I saw Albert Einstein work out an impossible mathematical equation; I saw Narnia through a closet.

Walton-on-the-Naze

The Year 10 GCSE Geography students had a successful day completing their physical fieldwork investigation at Walton on the Naze. The weather was fantastic and their standard of work was even better!!

They used a variety of data collection methods to investigate the success of coastal management. Including: groynes, sea walls, rock armour, and an alternative unmanaged site.

A couple of students even surprised the teachers with an ice cream. A true reflection of the Mulberry Academy Woodside values.

Thank you to all staff and students on the day!

GO KARTING AT LAKESIDE

A group of Year 9 students visited Lakeside Karting last Friday and battled each other on the race track as part of the Mulberry STEM Academy programme, which was launched by Lewis Hamilton in 2020.

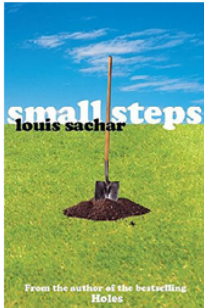

Prior to the trip, the same group of students took part in a online conference call with various professionals at Mercedes Formula 1, speaking to industry experts on what life is like working for a title winning team.

The Mulberry STEM Academy enables students from the Mulberry Schools Trust the opportunity to learn from inspirational role models, imaginative teaching and rich extra-curricular experiences over a five-year period.

BOOK REVIEW

Rating

This is a really good book, it has an interesting storyline and a good plot, I don't want to ruin it for anyone so all I'm saying is this is the sequel to Holes, which is also a really good book, all I am going to say is you must read this book for yourself to find out what happens. I really recommend it!

GO LIVE THEATRE PROJECTS

Summer Stage is coming back in August!

If you know any young people aged 13-17 that would benefit from a low-cost Performing Arts summer school, this is the time to let them know.

Deadline is approaching soon!

Summer Stage is aimed at young people aged 13 to 17 who might not otherwise have the opportunity to take part in a performing arts summer school. Over 5 days, they will work together to create an original piece of theatre (showcased at the end of the week).

They also get to see a top West End show!

Young Creatives Week

Monday 7th August – Friday 11th August

Our Young Creatives week is for young people who are brand-new to taking part in drama projects and want to try it out in a fun and supportive environment. We welcome young people who might have mild to moderate learning needs.

This week's theatre trip will be to Matilda The Musical at the Cambridge Theatre.

Young Performers Week

Monday 21st August – Friday 25th August

Our Young Performers week is designed for those with a little more experience of Performing Arts or Drama – e.g. those who have taken part in school plays, one of our projects or are a member of a theatre club.

This week's theatre trip will be to Hamilton at the Victoria Palace Theatre.

Deadline is Monday 26th June at 10am
