Ms Wallace's Announcements

LATEST UPDATES FROM THE HEADTEACHER

DEAR PARENTS AND CARERS,

Thank you for your support with our young people this week during the strikes, I hope students were able to access some of the set work or enjoy some time pursuing interests and hobbies. Well done to the Year 10 students who were in school and focused. I had a brilliant reward trip with the Year 10 students who have been working with staff from Mulberry Schools Trust. As we go into September, we will be providing more support to enable all students the opportunity to maximise their potential.

We were delighted to welcome our new Year 6 students into the school for their Transition Day earlier this week. We were impressed at how well they did in a range of subjects from science experiments, to music and creative writing. All students went home with a summer reading book from the school as part of our commitment to the importance of reading.

A huge thanks to all our Year 8 parents who attended Electives Evening on Thursday, please spend time over the weekend discussing choices for electives.

Next week is Work Experience Week, best of luck to our Year 10 students and to all students taking part in Sports Day.

All the best for a restful weekend

Ms Wallace
Headteacher

UPCOMING KEY DATES

10th -14th July
Year 10 Work Experience Week

13th July
Sports Day

13th & 14th July
Duke of Edinburgh Expedition

17th July

Year 11 travel to Belgium to learn at Euro Space Centre

A group of ten year 11 students went to the Euro Space centre in Belgium with Ms Alpdogan.

They were joined with a group of students from LAET and Park View. They engaged with lectures on cosmology and the history of space exploration in the auditorium. Students took part in a range of activities in the space centre including: going down a free fall slide; space mission simulation; rocket building and launching activity; taking part in a VR moon walk and mars walk; experiencing a multi axis chair used to train astronauts and feeling the effects of centripetal force in a space rotor.

Of course, no trip abroad would be complete without a cultural visit. The students explored the grounds of Sedan castle, the largest fortified castle in Europe. They also had the opportunity to visit the Caves of Han, a complex system of limestone caves formed over millions of years, famous for its geological formations of stalactites and stalagmites.

Overall, the students had an amazing time at the Euro Space centre and said it was a once in a lifetime experience to remember.

Student Spotlight

Recognising the talent of Mulberry Woodside's students

YEAR 9 STUDENT OF THE WEEK

- Student Name: Rana Aldukali
- Form: 9T
- Excellence in: All areas

"Rana is your dream tutee. She has excellent behaviour, helps with all projects, willing to support in any area you require and always gives 110%. This year Rana has also developed her personal skills and been able to work more on this side rather than solely her academic. Rana often gets overlooked as her behaviour is always exemplary and she could easily win every award, but I wanted to give her a special shout out and a thanks for always being a shining example to other students and support to staff throughout the school!" - Mrs Birks

YEAR 7 STUDENT OF THE WEEK

- Student Name: Lillia Turner
- Form: 7I
- Excellence in: completing responsibility diligently

"Lilla is a diligent member of the form. Currently, she is partnered with another pupil to be the reading book monitor. She behaves well and conducts herself positively with staff and peers alike and is reflected in the high number of praise points she receives." - Ms Begam

Writer's Corner

My Monumental Birth
Julia Gruszevska

When I was born flowers bloomed,
clouds cried and tectonic plates crashed.
The nurses danced ,
wolves howled and conflict became friendship.
Books developed into stories,
all colours collided
and music flowed through the currents.
Animals won Oscars
Choices became commands
And the most impossible cures were found
Wind replaced seas
All fruits dried and lies bubbled out of your mouth
Questions were answered
The world turned upside down
and diamonds fell out of the sky

COME AND JOIN HARINGEY POLICE CADETS

We have two cadet units:

1. St Thomas More School, Glendale Avenue, N22 5HN. We meet on a Tuesday during term time only.
Junior cadets – 10 to 13years old Times are 4:30pm to 5:30pm
Senior cadets – 13 to 18 years old Times are 6pm to 8pm
2. Gladesmore School, Crowland Road N15 6EB. We meet on a Wednesday during term time only.
Junior cadets – 10 to 13years old Times are 4:30pm to 5:30pm
Senior cadets – 13 to 18 years old Times are 6pm to 8pm

As well as weekly sessions, our cadets take part in a variety of activities including activity days, camps, day trips, cadet competitions and parades. We also deliver the Duke of Edinburgh program and lots more. For more information or to join please email chantelle.budny@met.police.uk

Student accounts - planetarium

Year 8 students had a fun day out at the planetarium. Here are their stories.

Jasmine Feshias 8Q

The experience was amazing! From the outside it looked like any old 'bounce house', but the inside was a whole other story. It had surround sound and with the projector, everything looked so real. The information that was discussed was quick and easily explained in the videos, some parts were even interactive.

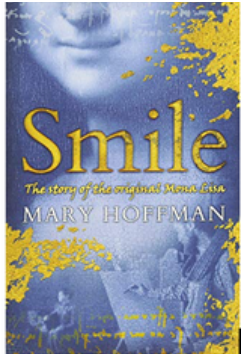

Most people really appreciated the show and found it easy to follow along with, making it perfect to help us with the revision we were doing then.

Overall, I rate this a 10/10 experience, and if I had the chance to relive it 100 or more times, I would. Thank you Mulberry Academy Woodside, specifically the teachers involved, for setting this up for us.

Sheikh Mahir Rahman 8A

'I loved it. I wish we could do it again. Maybe we can learn something else. If we did things like this, then the lesson would be more memorable. Thank you for the experience, Mulberry Academy Woodside. 100/ 10'.

BOOK REVIEW

Rating

I like the fact that the book is historically accurate, along with a lot of details on the main characters and Leonardo's life.

Definitely recommend this book and would read again.

Rising Green Youth Hub: Gambling and Gaming

Former professional footballer Tony Kelly and his team are delivering a dynamic in-person gambling awareness workshop for young people. Using his **lived experience** of gambling addiction, Tony provides education on gambling including around **football, video games, the impact on marginalised communities**, and the support available.

Date: Monday 10th July

Time: 4.00 pm

Location: Rising Green Youth Hub,
Unit 2, Lymington Avenue, Wood Green, N22 6JA

GO LIVE THEATRE PROJECTS

Summer Stage is coming back in August!

If you know any young people aged 13-17 that would benefit from a low-cost Performing Arts summer school, this is the time to let them know.

Deadline is approaching soon!

Summer Stage is aimed at young people aged 13 to 17 who might not otherwise have the opportunity to take part in a performing arts summer school. Over 5 days, they will work together to create an original piece of theatre (showcased at the end of the week).

They also get to see a top West End show!

Young Creatives Week

Monday 7th August – Friday 11th August

Our Young Creatives week is for young people who are brand-new to taking part in drama projects and want to try it out in a fun and supportive environment. We welcome young people who might have mild to moderate learning needs.

This week's theatre trip will be to Matilda The Musical at the Cambridge Theatre.

Young Performers Week

Monday 21st August – Friday 25th August

Our Young Performers week is designed for those with a little more experience of Performing Arts or Drama – e.g. those who have taken part in school plays, one of our projects or are a member of a theatre club.

This week's theatre trip will be to Hamilton at the Victoria Palace Theatre.

Deadline is Monday 26th June at 10am

Find out more and apply [here](#).
