LATEST UPDATES FROM THE HEADTEACHER

DEAR PARENTS AND CARERS,

Happy Friday!

Happy Friday. It's really felt like a week back at Woodside. Our sports clubs have started this week, with football trials for Year 7 and 8 already underway. Do keep a look out as more clubs will be added that will take place during lunchtime and after school.

Well done to all our students in Year 7-9 who did their CATs test this week. These are tests students do not revise for but instead gives the school a base line to help plan for learning.

If your child is in Year 9 their elective session will start after school beginning the week of the 25th September. We have some really exciting new electives starting this year including robotics, ball room dancing, crochet, 3D installation, debating and our favourites including esports, athletics, dance, art, journalism and the Duke of Edinburgh award.

Our Year 7s will all be going to Tolmers in the next couple of weeks to support their transition and develop their team work.

A huge well done to all our prefects who stood for the Head prefect roles. Students presented an individual speech to staff. The standard was the best yet where students really explored what it was to be a Woodside student and with exceptional presentational skills.

Finally a reminder that as one Year 7 group enters it is time to consider our new year 7s for 2024. If you have a child, family friend or neighbour who is in Year 5 or 6, we would love to welcome them on our Open evening on Wednesday October 11th.

All the best for the weekend.

Ms Wallace
Headteacher

Ambitious about Autism is one of nine not-for-profit organisations that make up Autism Central. The project provides parents and carers of autistic people free and easy access to autism education, training, and support.

Together with Contact, we run the London hub. Our hub offers group and one-to-one sessions to help you and other parents and carers find the information and services available in your area. We may also run events such as workshops, drop-in sessions, coffee mornings or virtual meetups. The sessions are delivered by Peer Educators with lived experience of autism.

In September, we'll be running free sessions about autism, including:

- Wellbeing for parents and carers
- Autism and education
- Understanding autism for personal assistants and paid carers
- Understanding your child's behaviour

How to get in touch:

- Reserve a place
- Book a one-to-one with a peer educator
- Email: AutismHubLondon@contact.org.uk for more information

Announcements & Reminders

UNIFORM UPDATE

All Year 8 and 9 students have been provided with one free tie and blazer.

For now, it is still permitted to wear the old uniform but overtime this will be phased out. Ties are still available to buy through parent mail and from the front office.
