LATEST UPDATES FROM THE HEADTEACHER

DEAR PARENTS AND CARERS,

It really feels like term is kicking in with wind and rain, but fortunately our new school day means that students unnecessarily moving around the building. Thanks to all the Year 7 students and staff who went to Tolmers this week. Despite the rain and mud students had an amazing time and were such a credit to Ms Hinds and of course parents and carers.

Year 11 have really been knuckling down and getting straight into studies. Please we would ask any parents or carers, or students themselves can come unaccompanied to attend the Year 11 parents information session. This is a key time to go through what will be happening this year. This is taking place at 4-5pm on Tuesday 26th. We would like to welcome all our Year 7 parents to our parent coffee information, drop in session on Tuesday 26th at 2:30pm. This is a great opportunity to answer any emerging questions. We look forward to seeing you all then.

All the best for the weekend.

Calling all prospective year 7 parents:

Do you have a child, neighbour or child in Year 5 or 6? We'd love to invite you to visit us on our Open evening of 11th October for music, food and tours.

Haringey African Schools partnership

On Monday 18th September Mulberry Academy Woodside was delighted to attend the one year anniversary of Hope in Haringey, a charity that we have worked closely with since it was called Hope in Tottenham in 2014.

The event saw the launch of the Haringey African Schools partnership where we have been partnered with Okrika National School in Nigeria. The objective is to have young people in Haringey and young people in Africa meet to find common ground and work on solutions to issues they all have in common.

Already two of our students have undertaken a student leadership programme and are currently sitting on the Youth Advisory Board for the project. They will be working with other schools in the borough and our partner school to discuss ways to address global challenges and unifying forces.

Year 11 Spotlight

Hello Year 11,

You have all made a fantastic start to the new academic year. There have been amazing examples of hard work and effort in Year 11 lessons, please look out to see if you or your class have a shout out in Friday's Praise Assembly.

As always, we are emphasising how important this year is and that your school career depends on your commitment to your studies this year. You need to be revising using the methods talked about through Ms Wriggleworth's assemblies and in tutor time (as well as any of your own you might have).

Mr Gittins and Ms Kane

YEAR 11 STUDENT OF THE WEEK

- Student Name: Khadi Thiam
- Form: 11E
- Excellence in: Approach to her learning in Year 11 - INDEPENDENCE.

"Khadi has shown a great deal of independence and focus. She has used a range of strategies to improve her learning, for example devised her revision timetable, asked Ms Tejan for lunchtime support and spoke to her teachers about the topics she needs to cover first.
