## LATEST UPDATES FROM THE HEADTEACHER

### DEAR PARENTS AND CARERS,

Thank you very much for your support over the term so far, students have significantly raised their games in relation to uniform and adherence to the Woodside values of respect, pride and kindness. Our not so new Year 7 students are settled and an incredible group of young people. I am so proud to have them in our family.

Our Year 11 students have been exemplary in terms of attending on time and engaging in lessons. See below for the assessments they have for this half term. Early revision is key to final examination performance.

This week saw the launch of Black History month at school. It was great to see our year 9 students perform an informative assembly to their peers. Students in Year 9 also have the opportunity to meet with our caterers, Caterlink. This will form a part of a wider piece of work as we go for the race charter mark. As such, we will be examining our curriculum, recruitment processes and look at key groups performance and support we put in for students and staff.

Next week we have two key trust events for annual trust lecture at RSA House which students in Year 10 will attend.

We will soon be releasing applications for the Mercedes formula one STEM academy to Year 10 students.

Finally, a huge reminder for our open evening on Wednesday 11th October which is open for students in Year 5 or 6 and think have a child, family member or neighbour who may be interested we'd love to see you there.

# Mulberry Academy Woodside Celebrates Black History Month

This week marked the start of a month that would celebrate the work and significant accomplishments of the Black community.

Starting with assemblies delivered by our Year 9 students, this week focused on key individuals in Black British History such as Sarah Forbes Bonetta and Benjamin Zephaniah.

Across the autumn term, pupils in all year groups will participate in an annual tutor display competition with pupils showcasing their creativity.

In addition, our student council is in the process of designing a menu for the school canteen which celebrates cultural cuisine from West Africa, East Africa and the Caribbean.

### WHAT WILL HAPPEN?

I will arrive at the club with my parents at  
16.00.

There will be other young people there. Some of us are  
shy, but we're all friendly. It will be safe.

At 16.00 is 'news time' - we share our news and listen to oth-  
ers. We try to think of good questions to ask others when  
they have given their news. If someone finds your news inter-  
esting, they might ask you a question about it.

At 16.30 we are free to chat, play, eat and catch up!

At 17.00 the club will finish; I will be picked up by my parents  
to go home.

### WHY SHOULD I GO?

A chance to talk to people who might share similar interests.

A chance to meet people who go to my secondary school.

### Activities:

PS5 and gaming space on comfortable sofas, Pool,  
Table Tennis, Air Hockey and access to a Sensory Room!

**We look forward to seeing you!**

# Year 11 Spotlight

The latest information and updates for year 11 students

## MS KANE'S INTRODUCTION

It has been a really busy week for year 11s.

Last week we had the Capital City College group come and speak in assembly about the different post 16 courses they offer.

We also welcomed parents and students for the information evening, where heads of departments offered lots of useful revision resources for students to take away and use to revise for their November mocks.

Each day after school staff are putting on booster revision sessions in all subjects, this also began last week and students have been working really hard in these sessions. We were able to praise 50 students with a special breakfast for having 0 conduct points and beginning the year exceptionally well.

Finally, we met our prefects for the first time to begin planning how they are going to contribute to making our school the best it can be. They have got started this week on helping with celebrations for Black History Month.

# Announcements & Reminders

## UNIFORM UPDATE

All Year 8 and 9 students have been provided with one free tie and blazer. For now, it is still permitted to wear the old uniform but overtime this will be phased out. Ties are still available to buy through parent mail and from the front office.

## YEAR 9 ELECTIVES

Electives have begun!

This week saw the first full length session of year 9 electives. These exciting sessions are an opportunity for our year 9 pupils to learn a new skill and engage in an activity that they might not have otherwise thought about trying.

We have crafts from crochet to ceramics, language and culture sessions ranging from Chinese to cultural dance, technology-based electives spanning film studies to E-sports and adventurous activities including a group of students undertaking the Duke of Edinburgh Award.

Electives run for all Year 9 pupils every Tuesday from 3.10-4pm.

Thank you to all staff members who are running these enriching sessions for our pupils.

Thank you  
Andrea
