Ms Wallace's Announcements

LATEST UPDATES FROM THE HEADTEACHER

DEAR PARENTS AND CARERS,

Happy half term to all our families.

It's been a really great week at school with two key events taking place.

Thanks to all our performers who participated in the BHM performance which was an amazing event. The celebration continues with our display competition and wider work on our curriculum. We were also really pleased to see so many families at our coffee morning and for those parents who took time in the evening to attend the online revision support session, we really appreciate your support in our shared messages.

In other events, students in Year 8 went on a trip to Hampton Court and all students in Year 10 took part in the STEM Academy assembly. Application are now open until Wednesday 9th November via MS Teams forms. For more details, Year 10's should speak with their Head of Year.

I wanted to say how proud we are of our current Year 11s who have shown a really positive energy in their learning and in supporting one another. Additionally, their attendance and punctuality is good and this should be kept up. There is an extensive half term revision programme and it would be great to have anyone.

Also, a huge shout out for our amazing Year 7's who have confidentially transitioned to secondary school, made new friends and tried out new things. We look forward to your meet the tutor event where we can share with your families the things you have been doing.

Ms Wallace
Headteacher

FAQS

How do I apply? *You must apply using the Haringey Website. The QR code on the other side of this sheet will guide you.*

Is the school oversubscribed? *Mulberry Academy Woodside has a full roll. There are students on our waiting list. Details of our admission criteria are in the prospectus. The QR code on the other side of this sheet will guide you.*

How does the school stay in touch with parents and carers? *Communication with our community is vital. We work in partnership with our parents and carers through phone calls, meetings, emails, coffee mornings, information evenings, newsletters and encourage all of our families to use the school app classcharts.*

My child has additional needs. How will they be supported? *We take an inclusive approach to education at every level. Support is tiered to provide universal support, beginning with quality first teaching. Speak to our inclusion team in the canteen to discuss your child's individual needs and how we can support them.*

How can I ensure that my child will be stretched and supported to do their best? *Our mission statement is 'exceptional education and experience; every child, every day'. We are committed to ensuring your child is aiming for ambitious destinations post 16 and work closely with some of the best colleges and sixth forms in the area. Our curriculum provides a full range of choices at GCSE to best support all of our students.*

I am worried about behaviour and bullying. How can i be reassured that my child will be safe? *We have firm boundaries, consistently applied. Students are supported to do their best. The school takes all forms of harmful behaviour seriously and an experienced pastoral team keep our young people safe.*

GLOBAL GIRL LEADING CONFERENCE: CELEBRATING INTERNATIONAL DAY OF THE GIRL

This week some of our Year 9 girls attended the Global Girls Leading conference organised by Muberry School for Girls in East London.

The conference was centred around discussions on providing education for girls in areas of conflict and some of the systemic inequalities that women might face in the British journalism sector.

The panel guests were inspiring, motivating and empowering.

Our students got to have these important conversations with female students from other schools in the area.

Michele Obama's book 'Becoming' was given to every student to take home and read.

Black History Month Recipe Book

We are excited to celebrate and honour the rich culinary traditions and contributions within our school for regards to Black History Month.

One way we can do this is by coming together to share and enjoy delicious recipes that showcase the diversity of different African cuisines.

We invite all members of our staff and students to participate in our Black History Month Recipe Book. This is an opportunity to share your favourite dishes, family recipes and other culinary creations that hold significance in your culture.

All you have to do is talk to Ms Daulby or the Prefect team if you have any suggestions on recipes you would like featured in the book.

If you have a personal story or any background information about the dish, please to include it. This adds a personal touch to the recipe.

We look forward to hear from you all!

Thank you,

Prefect Team

Punctuality

Being on time to school is a key life skill. Gates close at 8.40am at Mulberry Academy Woodside and learning starts soon after.

The school provides free breakfast for all children from 7.30am daily so please try and encourage your child to attend this.

If your child is 5 minutes late every day, this equates to nearly 3 whole days of missed learning, plus it is disruptive for other children.

If your child is late for school, they must complete a late form on the same day in room C002.

Failure to do so will result in an SLT detention after school on Wednesday/Friday.

Please ensure your child is on time to school before 8.40am each day.
