Ms Wallace's Announcements

LATEST UPDATES FROM THE HEADTEACHER

DEAR PARENTS AND CARERS,

I hope you have had a fantastic week, it's been really nice to see the students back.

The weather conditions have certainly changed so please ensure students have waterproof coats and strong shoes are worn. We are opening more spaces when it rains and there is a host of daily revision sessions.

Thanks to all the students who attended the half term Year 11, it was fantastic to see this start to revision. We are inviting as many parents to sign up as possible to Seneca and link their accounts in order for you to monitor.

To sign up go to
[Seneca | Online Learning & Tutoring for A Level, GCSE & KS3 \(senecalearning.com\)](https://www.senecalearning.com)

Also, a shout out goes to the PE department who are offering a fuller range of clubs this year and some students are undertaking the school sports leadership qualification.

Our theme for the week has being safe and respecting and caring for others. Students in Year 8 and 9 had informative workshops on how to report and avoid harassment on the underground.

In assemblies we have been talking to students about safety in the darker months, there is a safer route homes sheet which students can follow. Students can always use a school phone if they wish to ring home- just speak to a teacher on duty or student reception. We do a duty each day to support students on their way home of ten staff.

Finally, are thoughts are at the moment any directly or indirectly affected by the ongoing conflict occurring in Palestine and Israel. Our message to students are

- Students may have questions- they should speak to Ms Sanford, Ms Wallace or the safe guarding team if they wish to
- We ask questions and don't judge
- We do not impose views
- We believe that unkindness and lost lives is upsetting
- We can raise money for Unicef to support those most affected putting our energy into something positive
- We remember we are so very lucky to live in a safe country and our proud of our tolerant and diverse community.

Students who wish to be involved in fundraising should attend the Monday meeting should come after eating to room C007.

All the best for the week ahead

Ms Wallace

EXTRACURRICULAR ACTIVITIES UPDATE

In our PE department, we've had an exciting term filled with sportsmanship and victories.

Students of all year groups have participated in fixtures at both the borough and national levels. Notable achievements include our year 7 team's thrilling 3-2 victory, propelling them into the third round of the national cup, and our year 9s triumphing 2-1 against APS.

Moreover, our basketball and netball teams are diligently training for upcoming fixtures post-half term. It's been fantastic to witness the growth of these clubs throughout the term.

For those who are eager to get involved, we offer daily after-school clubs that are open to all students. These clubs provide an excellent opportunity to enhance fitness, as well as physical, social, and mental well-being. We look forward to welcoming more students after half term to join in the fun and benefits of extracurricular activities. It's a great way to stay active and make new friends while having a positive impact on your overall well being.

Borough Football Tournament

Celebrating the achievement of Mulberry Woodside's Students

It's that time of year again when the thrill of the borough's 5-a-side football tournament takes over New River. This year, we had an impressive turnout, with teams representing our school from years 7 to 11. Over 70 students proudly donned Mulberry Academy Woodside colours and gave it their all in this week-long event.

Throughout the tournament, the competition has been fierce, and our students have displayed remarkable skills on the pitch. They've embraced the spirit of fast-paced, attacking football, which involves playing from the back and creating scoring opportunities. This approach allowed them to swiftly move the ball around, creating numerical advantages and scoring goals.

The year 9 girls had an outstanding journey in the tournament. They reached the final, but luck wasn't on their side, and they narrowly lost in a penalty shootout, securing the second-place spot. Other notable results were the year 7 boys' team came incredibly close to securing third place, ultimately finishing in a commendable 4th position.

The tournament showcased the talent and dedication of our students, and we couldn't be prouder of their performance. They've demonstrated that success in football isn't just about winning; it's about playing with heart, enjoying the game, and showing sportsmanship on and off the field. Congratulations to all our teams for their fantastic efforts, and a big thank you to the students, parents, and staff who supported them throughout the. We can't wait to see what next year's tournament will bring!

Aspiring Athlete Programme

We're thrilled to announce the launch of our Aspiring Athletes Program, a fantastic opportunity for students to enhance their skills and passion for sport. We have started with footballers and look to expand the programme out. Every Wednesday morning, under the expert guidance of Mr. Bisram, our selected students are diving headfirst into specialised football training.

These students have been chosen not only for their impressive football abilities but also for their embodiment of our school's core values: respect, pride, and kindness. It's not just about the game; it's about being great individuals both on and off the field.

One remarkable thing about these dedicated young athletes is their commitment. They've demonstrated their determination by showing up for training bright and early on Wednesday mornings before the school day even begins.

The Aspiring Athletes Program is a testament to the talent and spirit that thrives within our school. We're proud of these students for their hard work and enthusiasm. As this program continues to grow, we're excited to see their skills and characters flourish even more.

Kudos to all the students who have been part of this incredible journey, and a big shoutout to Mr. Bisram for his invaluable guidance. We're looking forward to witnessing the amazing progress and achievements that lie ahead for our aspiring athletes. Stay tuned for more updates on their exciting journey!

High expectations of pupils.
They challenge all pupils to
be the best that they can be.

Black History Month Recipe Book

We are excited to celebrate and honour the rich culinary traditions and contributions within our school for regards to Black History Month.

One way we can do this is by coming together to share and enjoy delicious recipes that showcase the diversity of different African cuisines.

We invite all members of our staff and students to participate in our Black History Month Recipe Book. This is an opportunity to share your favourite dishes, family recipes and other culinary creations that hold significance in your culture.

All you have to do is talk to Ms Daulby or the Prefect team if you have any suggestions on recipes you would like featured in the book.

If you have a personal story or any background information about the dish, please to include it. This adds a personal touch to the recipe.

We look forward to hear from you all!

Thank you,

Prefect Team

UNIFORM UPDATE

All Year 8 and 9 students have been provided with one free tie and blazer. For now, it is still permitted to wear the old uniform but overtime this will be phased out. Ties are still available to buy through parent mail and from the front office.

YEAR 9 ELECTIVES

These exciting sessions are an opportunity for our Year 9 students to learn a new skill and engage in an activity that they might not have otherwise thought about trying.

We have crafts from crochet to ceramics, language and culture sessions ranging from Chinese to cultural dance, technology-based electives spanning film studies to E-sports and adventurous activities including a group of students undertaking the Duke of Edinburgh Award.

Electives run for all Year 9 students every Tuesday from 3.10-4pm.

Thank you to all staff members who are running these enriching sessions for our students.

Thank you
Andrea
