## 1. Visitors to school policy

The school is committed to safeguarding and promoting the welfare of children and young people and we expect everyone to share this commitment. Reception requires 24 hours' notice of all expected visitor(s). Please email reception using the visitor notification form (T:\Academy\Forms) to ensure we have full details. Before confirming the visit, you are required to carry out a Google search on any visitors you invite to the school and report any concerns you find to your SLT link. If your visitor(s) is likely to need unsupervised access to the school/students you will need to ensure they bring their original enhanced Disclosure and Barring Service (DBS) certificate and photo ID (e.g. passport/driving licence) to the HR Team, prior to or on the day of visit. Social workers and other agreed professionals will be able to provide their professional ID badge as evidence that relevant checks have been undertaken by their employer/relevant body. HR can advise if staff require clarification. It is essential that your line manager is aware of the visit and you should also notify the school in advance, using the email addresses below:
