Ms Wallace's Announcements

LATEST UPDATES FROM THE HEADTEACHER

DEAR PARENTS AND CARERS,

Wishing you a happy Friday, it's been a short and action packed week. Some of our year 8s had a unique experience with a mental health and well being workshop held at the Tottenham Hotspur's stadium. Alongside just one other primary school they had the complete run of the site. Our focus and drive on careers continues, with a Key 25 Year 10 careers trip, hosted by Careers Hub at the British Library, on Wednesday.

Students in other year groups have all been invited to attend a reward trip. Payment support is available, please just email the head of year or general school contact number.

Year 11 have already completed exams in photography, Art, Enterprise, Health and social care and sport. We are all incredibly proud of their attitude and excellent behaviour during this period, there are drop revision sessions after school, in the school day and at the weekend and students have excelled themselves. It was lovely to celebrate their work and start of exams with a pizza party, all students were given good luck cards and it was a special time to be together.

Year 10 will very soon be stepping into Year 11s soon and to support this we have an event for parents and students on revision and the year ahead happening on 6th June.

We still have some tickets if you would like to join us for the opening of our new canteen on Friday 17th May between 2-3pm

If you would like to attend please email gabriella.caruso@woodsidehighschool.co.uk

Finally wishing all our families who celebrated the Orthodox Christian church Easter at the weekend, I hope it was a great time to be together with your families.

All the best

Ms. Wallace

INSIDE MATTERS CONFERENCE AT TOTTENHAM HOTSPUR STADIUM

A group of Year 8 students attended the Inside Matters Conference hosted at Tottenham Hotspur Stadium this week. Students accessed workshops and talks that explored strategies and services that support mental health in young people, as well as having the opportunity to tour the stadium! It was brilliant to see so many mature and insightful reflections from our students regarding well-being and mental health.

Mulberry Arts Conference - Rightful Place

On Thursday 2nd May, Ms Campbell and Miss Caruso took some of our lovely drama students to the Mulberry Arts Conference - Rightful Place, Empowering the next generation in exploring careers in Production Arts.

The conference broadened the understanding of production art roles and the industry as a whole. The students were provided with valuable insights, networking opportunities and skill developments in the field of production arts.

Our lucky students took part in lighting, sound, visual effects and design workshops.

In addition the students were lucky to be part of a Q and A session with: Marius Ronning, Head of production at Royal Court Theatre, Khadija Raza, Set and Costume Designer, Jaime Harrison, Illusions and Visual Effects Designer, Rajiv Pattani, Lighting Designer and Technican, Leeluu Dallas King, Sound Designer and Mica Taylor, Company Manager at Royal Court Theatre.

Our wonderful year 8 students Hamza Arale, Elona Sejdiaj and Olivia Nugaras all took center stage and asked the panelist insightful questions! We are all proud of you!

KEY 25 TRIP TO CREATIVE CAREERS CONFERENCE

On Wednesday 8th May our Key 25 group of Year 10 students were afforded the opportunity to visit a conference centred around creative career pathways hosted by the Careers Hub at the British Library. Students were invited to a panel discussion from careers leaders at creative companies such as The Old Vic, PlayStation and more. Students also completed breakout workshops in podcasting and print journalism hosted by BAFTA and the BBC. Closing the event was an expansive careers fair where our ambitious Woodsiders were able to speak to industry professionals and network. Special praise for Najah 10L and Serine 10Y who live-demonstrated their podcast idea to an audience, and all of our students for asking interesting questions to the professionals panel!

MAW DANCE TEAM

STORM THE STAGE (AGAIN!)

Our 'Carni Warriors' had the privilege to be guests at Storm The Stage Dance Academy's 10 Year Anniversary Performances, on both Saturday and Sunday.

After their excellent performance at the Borough championships earlier this year, where they came 2nd, they were invited to do the same set piece last weekend. They were lucky to perform in the North London favourite Millfield theatre, to their theme of soca and dancehall.

The atmosphere was amazing, with the crew and crowd hyping them up, and clapping along to the beat. Each show, the crew awarded each key stage one outstanding performer trophy, and a huge shoutout goes to Kayanna Morrison in Year 8, for receiving one!

With no more competitions scheduled for the near future, the dance team will now look into learning a new dance, possibly of a new genre.

CONSTRUCTION SITE VIST

Year 10 students visited the construction site, where they met with the project manager to learn about the construction industry and potential career paths within it. At the conclusion of the visit, the project manager commented on the students' behaviour and the questions they asked, with particular mentions of Ciandrew and Reece.

PE INTER HOUSE COMPETITION

During year 8 PE last week, we held a mini interform due to the bad weather, even though it's supposed to be summer!

K side battled it out in games of lineball, while using a tennis ball to better their striking and fielding skills. It was extremely competitive, with none of the girls or boys wanting to lose, passing and defending until the very last minute!

A huge shoutout goes to those in Cedar, storming into 1st place, 6 points above 2nd place!!

MAW VOCAL MASTERCLASS WITH SIMONE!

Did you know that singing has many benefits?

It helps to improve your lung functions
It helps you to beat stress and relaxes you
It helps to build a sense of community
It helps to boost your confidence and stage presence

A huge thank you to all the students below who participated in the VOCAL MASTERCLASS with Simone over the last couple of weeks. It was a great experience and the students certainly showcased their vocal ability.

This is just the start!! We will be carrying out Solo and Group Auditions in preparation for the Summer Showcase. You have been given sufficient time to prepare for it!
