LATEST UPDATES FROM THE HEADTEACHER

DEAR PARENTS AND CARERS,

Thanks to all our Year 7 parents who attended the Meet the Parents event. It is always such an important evening to touch base on how students are settling in. Year 7 have done incredibly well at settling in and building new friendships, many of which will last a lifetime.

We are also promoting two other parent events:

- Key Stage 3 Information Evening on Thursday, 10th October - This will be an opportunity to understand how we assess students and use homework, as well as to ask any questions about KS3 (Year 7-9) learning.
- An evening for Year 11 parents to learn more about this final year ahead, homework expectations, and ways to support your child.

This Wednesday, 2nd October, is our Open Evening. All families, friends, and neighbours are welcome to this event from 5-7pm. Do encourage everyone to attend what will be a great celebration of our community. If you cannot make this event, we are also holding an open day on Saturday, 12th October.

Next week, a group of Year 8 and 9 students will be going to Sicily – we are, of course, not jealous! We look forward to hearing all about this exciting trip.

Next week also marks the start of Black History Month. Our Black History Month celebration will take place in the last week before half-term. This is a time when we explore the importance of black history across a range of subjects and disciplines. Students will be delivering assemblies, and tutor groups will be researching for our annual school display competition.

The Mulberry trust are organising and hosting an international summit for girls' leadership and education called "Global Girls Leading conference" and a group of year 10 students have been selected to represent Mulberry Academy Woodside at the summit which will take place on Friday 11th October 2024.

For Enrichment week, All students have been given a physical copy of the Enrichment Week letter. Please ensure the signed form is returned. Form tutors have plenty of spare copies, and we have also sent the letter electronically.

Please note that all Year 11 students are expected to attend every day for focused revision workshops in small groups.

Finally if you would you like to consider becoming a parent governor, please. contact denise.boakye@woodsidehighschool.co.uk

GLOBAL GIRLS LEADING

Global Girl Leading is a Mulberry Schools Foundation Changemakers Project.

For over 15 years, Mulberry schools have run conferences focused on supporting the leadership, confidence and voices of girls and young women.

On 11th October, The Mulberry Schools Trust (MST) are organising and hosting an international summit for girls' leadership and education called "Global Girls Leading conference."

A girls' school in Kenya called Lenana Girls' High School (a school that offers vulnerable and orphaned girls an education) contacted MST and asked if they might support their attendance at the event.

They are paying for flights and we have committed to raising the funds to pay for their accommodation and subsistence while they are here in London - The target across the Trust is £3000 and because of this, our students put on a bake sale which ran over 3 days to help raise funds.

FUTURE Programme FRONTIERS

As part of our careers curriculum, it was a first taste of the world of work this week for fourteen Year 10 students who are taking part in our Future Frontiers programme at the head office of digital telecoms and broadband company Liberty Global, based in Hammersmith.

Students were paired with a team of mentors across the different functions of the business, developing soft skills for the world of work and building connections in industry. After the four-week programme, our Year 10s will maintain contact with these mentors as they navigate years 10 and 11.

MATCH REPORT

MAW Girl's football battles the elements!

What an exciting start to the season for the U13 Girls' football team! In their first round of the Middlesex Cup against Davenant, the girls faced tough opposition and pouring rain. Despite a challenging first half, where they found themselves 4-0 down, they came back stronger after a spirited team talk and some substitutions.

In the second half, Anisha S fired in a fantastic goal, followed by another from Ikraan A, lifting the team's spirits and energising the crowd. Although the match ended 5-2, the girls showed incredible resilience and determination throughout.

A special well done to Year 7's Valentina M, Faith S, Irmak S, Sofia B, and Alexia K, and Year 8's Krystal M, Angie M, Ikraan A, Anisha S, and captain Sophia H for their fantastic efforts.

They'll be back in action on Tuesday 1st October against Highgate Wood at home. Make sure to come along and cheer them on!

HOUSE COMPETITION: TREASURE HUNT

Students participated in the first house competition of the academic year, taking part in an exciting orienteering treasure hunt using a map of the school. They set out to find five hidden treasures scattered around the building and playground. Congratulations to Cedar House for their impressive victory, earning 100 points for their house! Ash House followed closely behind in second place, securing 50 points. It was a fantastic event that showcased teamwork and enthusiasm among all participants and brought out the geographer in our wonderful students.

**Year 9
Pillar
Champions
of the
Week**

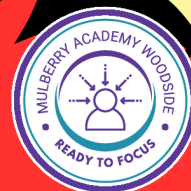

This year we have launched our scholarly behaviours to recognise outstanding attitudes towards learning at Mulberry Academy Woodside. We will be sharing our Year 9 top students for each category every week. We will celebrate them each week in assemblies. Congratulate them at home. Studies displaying outstanding scholarly behaviours will be invited to reward trips, breakfasts and more!

AN IMPORTANT MESSAGE TO KEY STAGE 3 PARENTS & CARERS

At MAW, we have revamped our Key Stage 3 student reports to provide clearer insights into your child's progress and attainments.

To help parents and carers understand these new reports, we are hosting a Key Stage 3 **Information Evening** on **10th October from 4 pm to 5 pm.** This session will explain the report layout in detail and offer guidance on how you can best support your child's learning.

Please note that our upcoming **assessment week** will run from **21st to 25th October.**

SCIENCE TOP TIP OF THE WEEK FROM MR MASON FOCUSES ON RETRIEVAL PRACTICE AND HOW TO DO IT

LEARN TO STUDY USING...

Retrieval Practice

PRACTICE BRINGING INFORMATION TO MIND

HOW TO DO IT

Put away your class materials, and write or sketch everything you know. Be as thorough as possible. Then, check your class materials for accuracy and important points you missed.

WRITE + SKETCH

CHECK

Take as many practice tests as you can get your hands on. If you don't have ready-made tests, try making your own and trading with a friend who has done the same.

TRADE TESTS

You can also make flashcards. Just make sure you practice recalling the information on them, and go beyond definitions by thinking of links between ideas.
