LATEST UPDATES FROM THE HEADTEACHER

DEAR PARENTS AND CARERS,

Thanks to all the students and staff who attended the Stubbers trip, they certainly got the weather.

Wednesday was the very last examination for our Year 11s. There was yearbook and T-shirt signing to mark the end of a very positive exam period. We wish all our students the very best and are looking forward to them coming to the prom next Wednesday.

During hot weather we allow students to remove blazers, but they need to bring these to school. Send your child in with a water bottle and we will have extra water stations available. There is lots of shade in school and we have recently purchased a series of picnic umbrellas. It is important that normal learning continues as much as possible.

IMPORTANT NOTICE: Monday 30th June is shut for all students due to our Trust INSET day.

Some dates for the diary:

- Tue 1st July – Sports Day
- Tue 1st July – Societies trip for Year 8 and 9
- Thur 3rd July – Transition Day, Key Stage 3 Awards Evening

Supporting Our Community Through Sport

This week, our Sports Ambassadors have been supporting local primary schools with their Sports Day events. From setting up races to keeping scores and guiding younger pupils, they've helped ensure everything ran smoothly.

For some of our students, it was a special experience to return to their former primary schools - this time not as pupils, but as leaders. They took pride in stepping up, showing responsibility, and helping younger children enjoy their day.

It's been a rewarding week that highlights the value of giving back and the strength of our school community.

On Wednesday 18th June, some of our young singers attended a trust wide "Big Sing" event at Mulberry Academy London Dock accompanied by Ms Alpdogan. The day brought together over 100 singers from all of our trust schools to learn songs in English, Spanish and Arabic ready for performance in November's Mulberry Arts Festival. It was a wonderful day with friendships forged, harmonies honed and performances perfected! We can't wait to hear our talented singers later on in the year- keep your eyes peeled for details of how you can get tickets to the event.

Year 7's attend the Food Lab workshop at LAET

On Tuesday, some of our Year 7 students attended The Food Lab, a brand-new after-school science club exclusively for Year 7 students, hosted at the London Academy of Excellence Tottenham (LAET). This is a 4-week programme designed to spark curiosity and excitement about science through the lens of food, nutrition, and health.

Each week, students will take part in a different hands-on science activity related to food and the human body, among them testing food for different nutrients, measuring the energy content of snacks we eat, testing fruit juices for vitamins, and learning about freezing points by making ice cream (and eating it later).

This club is a fantastic opportunity for our Year 7 students to deepen their understanding of science in a fun, practical, and supportive environment, as well as getting acquainted with a potential 6th-form college they may attend in the future.

Now, we'd love to hear from you.

If you're a parent, carer or local resident, please take a moment to share your thoughts by completing our short consultation form: [Click here to complete the survey](#)

This week's *Values in Action*

Students being confident in their own skills and supporting each other

Next week our Values will focus on students being confident in their own skills and supporting each other. You can support child at home by:

- **Celebrate small wins:** Encourage your child to notice their progress, not just perfect results.
- **Say: “I’m proud of the effort you put into that!”** Tip: At the end of the day, ask: “What’s one thing you did today that made you feel proud?”
- **Help each other learn:** Remind your child that learning happens in everyday moments with family. Say: “Can you show your sibling how you did that?” Tip: Involve them in helping others with tasks like reading to a younger sibling or sharing a skill

- **Take on roles and responsibilities:** Give your child simple responsibilities to build confidence. Say: “Can you be in charge of setting the table today?” Tip: Rotate household tasks and call them “important jobs” to make them feel valuable
- **Give kind and helpful feedback:** Teach your child how to be kind and honest when talking to others. Say: “What’s something nice you can say, and one way to help them do better next time?” Tip: Practice this when playing games or working on projects together
