# Ms Wallace's Announcements

LATEST UPDATES FROM THE HEADTEACHER

## DEAR PARENTS AND CARERS,

Wishing everyone a happy Friday. I am sure many of our Year 7 students feel tired after an excellent winter disco. Thank you to our Year 7 team and to Ms Dear for organising it. It was lovely to see students enjoy the evening.

Well done to our Year 10 students who show real maturity in their first set of formal assessments this year. It is great to see so many students use active revision strategies.

Students in the Year 9 societies group took part in a trip to City Hall and met Sadiq Khan. Year 9 electives students also visited the theatre and the cinema. All students will take part in careers activities and trips linked to their electives across the year.

I am very pleased to share that the school gained platinum status in our safeguarding review. A huge well done to Ms Sanford, Ms Oliver and Ms Peters, and to all staff and students who contribute to a strong safeguarding culture each day.

It is always a pleasure to see the next steps of our learners, so it was a real treat to welcome the class of 2025 back to collect their certificates.

Next week is busy both in lessons and after school. This includes our Trust lecture on Thursday, where two of our students will present at the Royal Academy of Arts, and a series of events in the final week to bring the school community together over the festive period. Please join us on 17 December for our winter fair and concert.

We are starting a collection for our local food bank. If you can donate, we would be grateful for your support.

Warm regards for the weekend.

**Ms. Wallace**

UPCOMING  
KEY DATES

**Tuesday 9 December**

Year 7 to 11 Flu  
Vaccinations

**Wednesday 10 December**

Top prize- pizza party for you and 7 other friends

2nd and 3rd runner up will receive a chocolate prize and a £10 amazon voucher

4th and 5th will receive a chocolate prize

## Year 9 and 10 Enjoy Immersive French Cinema Experience at Into Film Festival

Last week, mademoiselle Rutherford et monsieur Lambert took a small group of Year 9 and Year 10 French student to the cinema for the film "La plus précieuses des marchandises (The most precious of cargoes)" in the Into Film festival. It was quite an interesting experience for the students to get to hear French in a different context and develop their

Listening and Reading skills along side their Historical knowledge as the film is set during World War Two, telling the story of a lumberjack and his wife who find an abandoned baby in the woods. Its arrival transforms their lives and mindsets during a challenging time in History. There were many surprises in the film, but all students said they enjoyed the experience. Merci to all teachers who allowed their pupils to have this immersive French experience et à une prochaine fois pour un autre film !

## Year 11 Rewarded with Festive Performance at Alexandra Palace

As a special reward for their outstanding mock exam results in English Literature, 24 of our Year 11 students enjoyed a fantastic trip to the iconic Alexandra Palace Theatre to see A Christmas Carol.

Accompanied by Ms Prasher and Mr Vigor, the group were treated to a magical performance filled with festive spirit, gripping storytelling, and brilliant staging. The students were fully captivated from start to finish and returned buzzing with enthusiasm. A huge well done to all our high achievers — a thoroughly deserved celebration of your hard work!

## Students Enjoy Well-Earned Reward for Positive Progress

We launched a new reward initiative to celebrate positive steps in attendance and behaviour. Students who showed real improvement enjoyed a visit to Kaspas's Dessert. The treat was a fun moment, but the aim was to recognise effort, build confidence, and show pupils that turning up, trying their best, and showing kindness each day matters.

Thank you to parents for supporting strong habits at home and working with us. Small rewards can make a big difference, and the best part is seeing students grow and feel proud of what they achieve.

## Year 9 Enjoy Memorable Theatre Experience at The Lion King

Last week Year 9 visited the Lyceum Theatre to watch The Lion King. The show offered excitement and useful learning. Students were inspired by the puppetry, costumes, music, and staging, which linked to their work in English, Drama, and Art. The performance also supported discussions about culture, identity, and resilience. For many, it was their first major theatre trip, and their enthusiasm made the day a success.

## Year 9 Visit City Hall for a Glimpse Into Local Democracy

Our Year 9 students recently swapped the classroom for City Hall, enjoying an engaging and memorable look at how local government works. After exploring the historic building on a guided tour, they took their seats in the council chamber and discovered what happens where real decisions are made.

A hands-on workshop brought democracy to life, with students debating real issues and learning how young people can influence their communities. Staff at City Hall were impressed by their enthusiasm and thoughtful questions.

It was a valuable experience that helped students see themselves as active citizens. Thank you to City Hall's education team and to our families for supporting opportunities like this!

## Year 7 Learn About Healthy Living in Nurse-Led Workshop

This week, our School Nurse visited to deliver an engaging workshop on Healthy Lifestyles and Personal Hygiene to some of our Year 7 students. The session helped pupils understand how everyday habits such as nutrition, hygiene, sleep, and exercise contribute to their overall wellbeing. This workshop supports our PSHE curriculum and reflects our core values of Pride, Kindness, and Respect, encouraging students to take ownership of their health and make positive choices both in and out of school.

We are grateful for the nurse's time and expertise in helping our young people build lifelong healthy habits. These workshops will continue over the next term so that all of our Year 7 cohort receive a session. We would encourage parents and carers to also have open dialogue regarding these topics at home.

## Electives Cinema Trip

Our Year 9 Film Studies Elective students had a fantastic time at Cineworld this week watching Zootropolis 2 in 3D. The film's fast-paced action and brilliant humour had everyone fully absorbed from start to finish. The 3D effects were a highlight, making the city scenes and chase sequences feel extremely exciting on the big screen.

Students came away discussing the film's narrative, themes and how the sequel builds on the original film. It was great to see such enthusiasm—not just as viewers, but as developing film critics.

Well done, Year 9, for representing the school so well. We can't wait for the next trip!

# WINTER FOOD DRIVE

This winter we can make a difference and ensure no one goes hungry.

## Make a difference in the local community!

Donate non-perishable food, fresh produce or toiletries to bring hope to families in need.

**Drop-off Location:**

**CANTEEN**

**8th Dec - 15<sup>th</sup> Dec**

### Items Needed:

- ✓ Canned Food
- ✓ Food & Vegetable
- ✓ Dry Cereals
- ✓ Instant Meals
- ✓ toiletries

## Safeguarding

*Use everyday family moments-such as dinner time, car rides, walking to school, or bedtime to gently check in about your child's feelings, worries, friendships, and online experiences. These small conversations help build trust and show them that you are genuinely interested in their world. Encourage them to share by listening calmly and without judgement, giving them space to talk at their own pace. Remind them that no problem is too small and that they can always come to you when they need support or guidance.*

## ATTENDANCE TOP TIP FOR PARENTS

### Independent Prep

Encourage your child to take responsibility for packing their school bag each evening. With your support, they'll learn independence and organisation. This habit prevents forgotten homework, PE kits, or reading books, helping children feel confident and prepared each morning.

## ARE YOU WORRIED ABOUT SOMETHING?

A worry is a concern. People you can talk to:

Ms Oliver  
Assistant Headteacher

## ATTENDANCE LADDER

## ATTEND AND ACHIEVE

SCHOOL SUCCESS STARTS WITH SHOWING UP. EVERY SCHOOL DAY COUNTS.

The Attend and Achieve approach to education at Woodside is rooted in the fact that school attendance is a significant determining factor in attainment outcomes and GCSE grades. Students with no absence are 2.2 times more likely to achieve 5+ GCSEs A\*-C or equivalent.

Excellent attendance means being in school at least 97% of the time or at least 184 days.

## Reporting an Absense

When a child is absent from school without prior permission, parents/carers should inform the school by telephone on the first day of absence and every day thereafter to give the reason for absence. Contact with the attendance team:

1. Calling 020 8889 6761 selecting option 1, and leaving a message
2. Using the IRIS app/ MyEd app
3. Email [attendance.team@mulberrywoodside.org](mailto:attendance.team@mulberrywoodside.org)

Parents/ carers must clearly state:

- The child's full name, year group and form
- The date of absence including when they are likely to return
- Details about child's symptoms and whether they have visited the GP\*

It is the responsibility of the Headteacher to authorise any child's absence from school. Therefore, absences will be treated as unauthorised unless a satisfactory explanation is given to the school.

Parents/carers cannot authorise absences and should be aware that either calling the school or providing a note for an absence does not automatically mean it will be authorised.

## Family holidays and term time leave

Parents and carers must ensure that family holidays and any other term-time leave are arranged outside of school term dates.

Parents and carers must not remove their child from school during term time without first obtaining a written leave of absence from the Headteacher. Permission will only be granted in exceptional circumstances, and supporting evidence may be required.

Please note that unauthorised term-time leave may result in a Fixed Penalty Notice being issued by the Local Authority.

Term time dates can be viewed here:

<https://www.mulberrywoodside.org/parent-information/diary-listing-term-dates/>

# NEXT WEEK'S VALUES IN ACTION

## PRAISE WEEK: READY TO REFLECT

NEXT WEEK OUR VALUES WILL FOCUS ON READY TO REFLECT. YOU CAN SUPPORT YOUR CHILD  
AT HOME BY:

### ASK OPEN-ENDED QUESTIONS

USE SIMPLE PROMPTS LIKE 'WHAT ARE YOU PROUD OF?' OR 'WHAT FELT CHALLENGING?' THESE QUESTIONS HELP YOUR CHILD THINK MORE DEEPLY ABOUT THEIR LEARNING AND OPEN UP MEANINGFUL CONVERSATIONS.

### CELEBRATE PROGRESS

TRY TO HIGHLIGHT THE SKILLS YOUR CHILD HAS DEVELOPED, SUCH AS RESILIENCE, ORGANISATION, OR ANY OF THE BIG 6 HABITS. THIS HELPS SHIFT THE FOCUS FROM GRADES ALONE TO THE STEPS THEY TAKE EVERY DAY.

### REVIEW WORK TOGETHER

SPEND A SHORT TIME LOOKING THROUGH BOOKS OR DIGITAL WORK, TALK ABOUT WHAT THEY FEEL CONFIDENT WITH AND WHAT THEY WOULD LIKE TO IMPROVE. THIS SUPPORTS HONEST REFLECTION AND HELPS THEM SEE THEIR GROWTH.

### SET SMALL GOALS

HELP YOUR CHILD CHOOSE ONE OR TWO PRACTICAL GOALS FOR NEXT TERM. GOALS WORK BEST WHEN THEY COME FROM THE CHILD, FEEL MANAGEABLE, AND LINK TO SOMETHING THEY WANT TO GET BETTER AT.

### ENCOURAGE A HEALTHY RESET

TALK TOGETHER ABOUT ROUTINES, SLEEP, SCREEN TIME, FRIENDSHIPS, AND ANYTHING ELSE THAT AFFECTS THEIR WELLBEING. SMALL CHANGES CAN HELP YOUR CHILD FEEL MORE BALANCED AND READY TO LEARN.

## Flu community catch up clinics

If your child has missed their flu vaccination at school, you can book an appointment for their vaccine at one of our local community clinics.

**Winter season is upon us, and with colder weather keeping us indoors and in close contact, it's easier than ever for the flu to spread.**

Protect yourself, your loved ones, and your community by getting your flu jab today. The flu vaccine is your best defense against severe illness, hospitalisation, and missed work or school. Let's work together to keep everyone healthy this winter.

### Stay Well:

Avoid the misery of flu this winter.

### Protect Others:

Especially children, the elderly, and those more vulnerable.

### Stop the Spread:

Help prevent flu outbreaks in your community.

For our clinic locations and contact details for the Vaccination UK teams please scan the QR code or follow the links below:

# CAREERS NEWSLETTER

This newsletter is a collation of all the opportunities we have heard about from employers and universities. Please use the links included to read more information and apply to anything you are interested in. Links are underlined.

## OPPORTUNITIES

Open Doors takes you behind the scenes to showcase the fantastic range of careers available in construction. On Monday 23<sup>rd</sup> – Saturday 28<sup>th</sup> March 2026 across all types of construction sites, as well as training and manufacturing facilities, depots and offices – online sessions will also be available. Bookings will open on Monday 12<sup>th</sup> January 2026.

Go Construct provides resources for anyone looking for a career in the construction and built environment sector. With so many roles available in construction it can be hard to know where to start, why not learn more about these career options... Find a role for you.

This virtual work experience gives you a behind-the-scenes look at how Arcadis engineers, designers, and project managers solve some of the world's biggest challenges. You'll explore the history and future of architecture and infrastructure, meet professionals shaping our built environment, and reflect on how your skills could make an impact.

Bowmer + Kirkland is one of the UK's most successful construction and development companies. Discover life in pre-construction, construction management and commercial, and hear from the experts at the forefront of it all. Find out more here.

Join AtkinsRéalis and you'll work on global projects across diverse sectors, tackling today's most pressing challenges. From growing populations and transportation needs to climate change – you'll help merge ingenuity, knowledge and technology to uplift communities and engineer a safer, better tomorrow. Explore roles here.

Discover how adventure can build the skills needed to lead, inspire, and make a difference. This session on Wednesday 14<sup>th</sup> January - 10:00 - 11:00, explores real stories from expedition leaders who've faced challenges in the world's most extreme environments. Learn how teamwork, resilience, and problem-solving in the wild translate into powerful lessons for leadership in any career path.

## JOB OF THE WEEK

Building Surveyor

As a building surveyor, you'll complete detailed reports, known as building surveys. Within these, you'll identify defects and advise on repair, maintenance and restoration options. You may implement preventative measures to keep buildings in good condition and look for ways to make buildings sustainable. A large proportion of the working day spent on site.

## LABOUR MARKET INFORMATION FACT

For Young People aged 16-24, employment levels are up by 17,000. The employment rate has increased by 0.2%, now at 52.2%. This means there were 3.89 million young people in employment in July to September 2025.
