Ms Wallace's Announcements

LATEST UPDATES FROM THE HEADTEACHER

DEAR PARENTS AND CARERS,

Wishing you all a very happy Friday. We have one very important week left before we break up for the Christmas holiday. Students have been very busy, both in and out of the classroom.

On Thursday, Ms Sanford and I had the pleasure of taking a group of students to the annual Trust lecture at the Royal Society of Arts. Our students introduced the guest speaker, Matthew Barzun, Chair and Publisher of Tortoise.

In the Hub, our Year 11 Global Photography project had been on display. This was a unique opportunity for students to work with local artists to create work focused on our local area.

Students in the K30 group visited Tottenham Hotspur Stadium to discuss examination results.

One of the festive highlights of the season was our Christmas Karaoke House event, which caused much excitement on Thursday lunchtime. Students in Years 7, 8 and 9 also enjoyed an author visit. Please see below for full details.

Next week, we have much to look forward to, with many events that bring our community together. These include the Winter Festival on Wednesday, with games and stalls, followed by our Winter Concert. We also have Christmas dinner on Thursday. Students should be aware that, as this is a larger event, we will not be serving break food.

On Friday, we have invited our Year 11 parents to collect revision materials. While it is important for students to rest, a steady amount of daily revision, where possible, can make a real difference.

Ms. Wallace

Winter Celebration

Wednesday, 17th Dec

WINTER FAIR
TIME: 3:30 - 5PM

WINTER PERFORMANCE
TIME: 5 - 6 PM

Year 7 Winter Ball

Year 7 marked the end of term with a Winter Ball that brought energy and excitement to the school. The assembly hall transformed into a welcoming dance space, filled with music and bright lights as students gathered to celebrate together.

The evening offered a relaxed chance for students to enjoy time with friends in a safe and well organised setting. Fresh waffles proved popular and added a warm, seasonal touch that students enjoyed throughout the event.

Staff supported the evening to ensure everyone felt comfortable and included, helping create a positive atmosphere from start to finish. The Winter Ball gave Year 7 students an opportunity to build friendships, feel part of school life and end the term on a high.

The event reflected the strong sense of community that runs through our enrichment programme and marked a memorable moment in the year group's first term at secondary school.

Year 10 Trip to East London Mosque

Both of Mr Davis's RS classes visited East London Mosque as part of their GCSE Religious Studies programme. The visit gave students the chance to explore a place of worship and deepen their understanding of key beliefs and practices studied in class.

Students took part in a guided tour of the mosque and engaged in thoughtful discussion around GCSE course topics. Seeing these ideas in a real setting helped bring classroom learning to life and encouraged respectful, informed questions.

Staff at the mosque praised the students for their excellent behaviour throughout the visit. Their conduct reflected the high standards expected on school visits and made the experience positive for everyone involved.

Speaking with Purpose

This week, fifty year 10 students took part in workshops for Jack Petchey's Speak Out Challenge. These workshops aim to train young people up to become confident public speakers who are ready to express themselves fluently not just in school but in wider life. We have been very impressed by how receptive the students have been, with everybody working hard to present a speech on a topic that they care about at the end of the day.

The strongest speakers from both workshops will progress to an Assembly Final where they present a polished speech to their peers in other year groups, competing for the opportunity to represent the school at the Haringey Regional Final which Mulberry Academy Woodside has won consecutively over the last two years, and hopefully will win again!

Memorial Bonfire

We've been gathering each week with Mihail's friends, and to bring this time of remembrance to a close, we held a bonfire in his memory.

The students and friends shared stories, wrote messages to place in the fire, and ended the evening with roasted marshmallows — a warm and heartfelt tribute to Mihail.

Year 9 and Year 10 County Lines Assemblies

On Monday 13th December, our Year 9 and Year 10 students engaged in important assemblies focused on County Lines and exploitation, delivered by Leo Powell in partnership with Haringey. These sessions are designed to help young people understand the risks, recognise warning signs, and learn how to keep themselves and others safe. Many young people don't realise at first that they're being taken advantage of, which is why it's important to understand the signs.

This forms part of our ongoing commitment to safeguarding and ensuring that our students are informed, confident, and able to make safe choices in the community. If you have any questions about the assemblies, please contact the school's safeguarding team.

Year 9 Visit to Chelsea Football Club

This week, some of our Year 9 students had the exciting opportunity to visit Chelsea Football Club. They enjoyed a behind-the-scenes tour of Stamford Bridge, including the dressing rooms, players' tunnel, and pitchside areas.

Students learned about the club's history, the demands of professional sport, and the importance of teamwork and resilience. Their enthusiasm and excellent behaviour made the trip a real success.

Thank you to Chelsea FC for hosting our students and providing a memorable experience.

Exploring the Science of Illusion

This week, our Year 9 students had the exciting opportunity to visit the Paradox Museum, a place where reality bends, perspectives shift, and nothing is quite as it seems. The visit was not only a fun and memorable experience, but also a chance for students to explore science, perception, and creativity in an interactive way.

Throughout the day, students wandered through a range of mind-bending exhibits, rooms where gravity appeared to change direction, illusions that challenged their senses, and installations designed to make them question what is possible. Laughter, curiosity, and a healthy dose of confusion could be heard as students experimented with each paradox, trying to work out the science behind the tricks.

Teachers noted that the museum provided a wonderful balance of entertainment and learning. Many of the displays prompted students to think critically, ask questions, and consider how the brain interprets information. It sparked fantastic conversations about physics, psychology, and how easily our minds can be fooled.

The visit was a highlight of the week and a valuable enrichment experience for our Year 9s. We're proud of how engaged, enthusiastic, and respectful the students were throughout the trip.

Inside the World of Gothic Mystery

On the 10th of December, we welcomed M. A. Bennett to the library to speak about her Gothic Mystery novel, 'No Escape.' A mixed group of students from Years 7-10 arrived bright and early to hear M. A. Bennett discuss her process and the inspirations behind her work. Bennett gave insights into how writers create engaging stories by drawing from history and literature.

After her presentation, Bennett opened the floor to questions. Our students asked thoughtful questions about life as an author, how the publishing industry works, and her personal journey as a professional writer. The students gained advice, perspective, and a deeper understanding of how books are written and shaped and then brought into the publishing world.

M. A. Bennet is a history graduate of Oxford University and the University of Venice, where she specialised in the study of Shakespeare's plays as historical sources. Her novel No Escape is a mysterious thriller involving estranged twins, an enigmatic grandfather on his deathbed, and a fortune locked by dangerous puzzles. This event was made possible through our coordinating with Pickled Pepper Books, a local bookstore.

We were thrilled that our students were able to learn from and be inspired by M. A. Bennett. We hope to welcome more writers into the library soon!

Cracking the Code in Business

Year 10 Business students took part in an exciting Business Escape Room Challenge during their taster session at Capital City College Group. Working in small teams, they tackled 14 themed puzzles covering key business ideas such as finance, marketing, customer service, ethics and market research.

Each puzzle revealed a digital code to unlock the next stage, encouraging teamwork, problem-solving and critical thinking. Prizes were awarded to the top teams, and the challenge offered a fun, hands-on introduction to the skills and knowledge developed on the BTEC Business programme.

Celebrating Our Year 10 Students' First Mock Exams

Congratulations to our Year 10 students, who have successfully completed their first set of mock exams. We are incredibly proud of the commitment, maturity, and determination they have shown throughout the entire process.

Over the past week, Year 10 students showed real commitment to their assessments through focused revision and positive attitudes. Many used the library and quiet spaces in school, while others stayed after school to revise together and seek support from teachers.

Their calm and organised approach on exam days reflected the effort they put in beforehand. We are proud of the dedication and resilience they showed and look forward to seeing how they continue to build on this strong start.

Student Council Training

Student Council members took part in a hands on training session focused on teamwork and leadership. Working in small groups, students tackled a construction challenge that required clear communication, planning and problem solving.

The activity encouraged collaboration and reflection, helping students build confidence and develop the skills they need to represent their peers effectively.

CANTEEN

8th Dec - 15th Dec

Items Needed:

- ✓ Canned Food
- ✓ Food & Vegetable
- ✓ Dry Cereals
- ✓ Instant Meals
- ✓ toiletries

Safeguarding

New devices can be exciting, but it is important to set them up with safety in mind. Start by enabling parental controls to manage screen time and restrict inappropriate content.

Agree clear rules for how and when devices can be used. Setting boundaries helps children develop healthy habits and understand expectations.

Check privacy settings together and make sure accounts remain private. Gifted devices should come with agreed boundaries so online use stays safe and positive from the start.

ATTENDANCE TOP TIP FOR PARENTS

Join in!

Clubs, sports, and after-school activities help children enjoy school life even more. Encourage your child to join in where possible — making new friends and finding new interests helps them look forward to coming to school every day.

ARE YOU WORRIED ABOUT SOMETHING?

ATTENDANCE LADDER

ATTEND AND ACHIEVE

SCHOOL SUCCESS STARTS WITH SHOWING UP. EVERY SCHOOL DAY COUNTS.

The Attend and Achieve approach to education at Woodside is rooted in the fact that school attendance is a significant determining factor in attainment outcomes and GCSE grades. Students with no absence are 2.2 times more likely to achieve 5+ GCSEs A*-C or equivalent.

Excellent attendance means being in school at least 97% of the time or at least 184 days.

Reporting an Absense

When a child is absent from school without prior permission, parents/carers should inform the school by telephone on the first day of absence and every day thereafter to give the reason for absence. Contact with the attendance team:

1. Calling 020 8889 6761 selecting option 1, and leaving a message
2. Using the IRIS app/ MyEd app
3. Email attendance.team@mulberrywoodside.org

Parents/ carers must clearly state:

- The child's full name, year group and form
- The date of absence including when they are likely to return
- Details about child's symptoms and whether they have visited the GP*

It is the responsibility of the Headteacher to authorise any child's absence from school. Therefore, absences will be treated as unauthorised unless a satisfactory explanation is given to the school.

Parents/carers cannot authorise absences and should be aware that either calling the school or providing a note for an absence does not automatically mean it will be authorised.

Family holidays and term time leave

Parents and carers must ensure that family holidays and any other term-time leave are arranged outside of school term dates.

Parents and carers must not remove their child from school during term time without first obtaining a written leave of absence from the Headteacher. Permission will only be granted in exceptional circumstances, and supporting evidence may be required.

Please note that unauthorised term-time leave may result in a Fixed Penalty Notice being issued by the Local Authority.

Term time dates can be viewed here:

<https://www.mulberrywoodside.org/parent-information/diary-listing-term-dates/>

NEXT WEEK'S VALUES IN ACTION

HELPING YOUR CHILD STAY SAFE ONLINE THIS FESTIVE SEASON

THE FESTIVE BREAK BRINGS EXTRA FREE TIME, NEW DEVICES AND MORE TIME SPENT ONLINE. A FEW SIMPLE STEPS CAN HELP FAMILIES KEEP DIGITAL TIME POSITIVE, BALANCED AND SAFE.

SET SENSIBLE SCREEN TIME LIMITS

WITH ROUTINES CHANGING OVER THE HOLIDAYS, IT HELPS TO AGREE CLEAR DAILY LIMITS TOGETHER. ENCOURAGE REGULAR BREAKS, SHARED ACTIVITIES AND OFFLINE TIME SO SCREENS DO NOT TAKE OVER THE DAY. CLEAR BOUNDARIES SUPPORT HEALTHY HABITS AND REDUCE ARGUMENTS.

REVIEW PRIVACY SETTINGS TOGETHER

TAKE TIME TO SIT WITH YOUR CHILD AND CHECK PRIVACY SETTINGS ON GAMES, APPS AND SOCIAL MEDIA. MAKE SURE ACCOUNTS REMAIN PRIVATE AND THAT FRIEND LISTS INCLUDE ONLY PEOPLE THEY KNOW IN REAL LIFE. THIS ALSO HELPS CHILDREN UNDERSTAND HOW TO MANAGE THEIR OWN DIGITAL SAFETY.

TALK ABOUT SAFE SHARING

REMIND YOUR CHILD NOT TO SHARE PERSONAL INFORMATION ONLINE. THIS INCLUDES ADDRESSES, SCHOOL DETAILS, HOLIDAY PLANS OR PHOTOS THAT SHOW WHERE THEY ARE. NEW GIFTS AND DEVICES CAN FEEL EXCITING TO POST, BUT IT IS IMPORTANT CHILDREN UNDERSTAND HOW SHARING CAN AFFECT THEIR SAFETY.

KEEP AN EYE ON DOWNLOADS AND PURCHASES

FESTIVE OFFERS AND IN GAME PROMOTIONS CAN ENCOURAGE QUICK CLICKS. AGREE THAT YOUR CHILD ASKS BEFORE DOWNLOADING NEW APPS OR MAKING PURCHASES. THIS PROTECTS BOTH THEIR ONLINE SAFETY AND HOUSEHOLD SPENDING.

ENCOURAGE OPEN CONVERSATIONS

LET YOUR CHILD KNOW THEY CAN COME TO YOU IF SOMETHING ONLINE FEELS CONFUSING OR WORRYING. REGULAR, RELAXED CONVERSATIONS HELP BUILD TRUST AND MAKE IT EASIER FOR CHILDREN TO SPEAK UP WHEN THEY NEED SUPPORT.

Flu community catch up clinics

If your child has missed their flu vaccination at school, you can book an appointment for their vaccine at one of our local community clinics.

Winter season is upon us, and with colder weather keeping us indoors and in close contact, it's easier than ever for the flu to spread.

Protect yourself, your loved ones, and your community by getting your flu jab today. The flu vaccine is your best defense against severe illness, hospitalisation, and missed work or school. Let's work together to keep everyone healthy this winter.

Stay Well:

Avoid the misery of flu this winter.

Protect Others:

Especially children, the elderly, and those more vulnerable.

Stop the Spread:

Help prevent flu outbreaks in your community.

For our clinic locations and contact details for the Vaccination UK teams please scan the QR code or follow the links below:
