<p><i>At Mulberry Academy Woodside, our History curriculum is driven by ambition and academic excellence for all. Through a challenging, inclusive and enquiry-led programme, we use powerful storytelling to bring the past to life. Students explore powerful narratives of resistance and equality, with our disability history enquiry and local study of the Tottenham Race Riots providing meaningful connections to our community. By hearing from leading voices such as David Olusoga and engaging with historians like Helen Rappaport, alongside enriching experiences like mudlarking, students come to understand why history matters and grow as reflective, critical young historians.</i></p>
